

Jeep®

GRAND CHEROKEE

2012

MAKE EACH MOMENT GRAND.

WHAT A CLEVER DISGUISE FOR A LUXURY SEDAN. TODAY'S GRAND CHEROKEE, WITH ITS TIMELESS DESIGN AND LEGENDARY CAPABILITY, IS INFUSED WITH MODERN TECHNOLOGY AND PREMIUM AMENITIES. THE RESULT IS THE ULTIMATE BLEND OF ON-ROAD CIVILITY AND OFF-ROAD CAPABILITY. FROM THE WELL-APPOINTED LAREDO TO THE SRT8[®], CANADA'S MOST POWERFUL SUV,⁽¹⁾ NOW IS THE TIME TO THRILL YOUR ADVENTUROUS SPIRIT.

IT'S A 4x4 WORLD OUT THERE.

CONFIDENCE TO GO ANYWHERE, DO ANYTHING™ IS BORN AND BRED IN EVERY JEEP® BRAND TRANSFER CASE. JEEP TRAIL RATED® 4x4s PERFORM TO RIGOROUS STANDARDS IN FIVE CATEGORIES: ARTICULATION, MANOEUVRABILITY, TRACTION, GROUND CLEARANCE, AND WATER FORDING.⁽²⁾ KEEP MOVING FORWARD, NO MATTER WHAT LIES AHEAD.

SELEC-TERRAIN™ SYSTEM.

Optimal on- and off-road traction is instantly at hand. Five selectable settings electronically coordinate 12 different vehicle management systems to adjust your traction control to match the road ahead. Whether you're caught in snow-covered city streets or climbing backcountry hills, you'll have the confidence to bravely meet all challenges with this class-leading⁽³⁾ system.

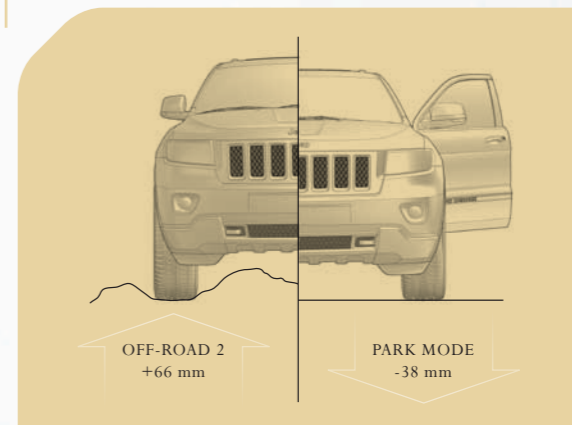

SPORT + For improved on-road fun-to-drive capability with enhanced torque-split and aerodynamics, turn the Selec-Terrain System dial to Sport.

SNOW + For ultimate performance over snow- and ice-covered roads, it maximizes vehicle stability and minimizes oversteer.

AUTO + Intuitively adapts to any on- or off-road situation, perfectly orchestrating 12 vehicle systems.

SAND/MUD + The traction control operates with aggressive response to wheel spin and the suspension raises for optimal performance, so all you need to do is enjoy the drive.

ROCK + The transfer case, differential, and throttle coordinate to provide low-speed control, raising the vehicle to its maximum ground clearance (272 mm).

QUADRA-LIFT™.

A class-exclusive⁽³⁾ system that gives you ultimate control of your suspension. The 104 mm lift span allows you to easily raise your vehicle for a maximum ground clearance of 272 mm above ridges and rocks or lower it for easier entry, exit, and loading. When adjusting the ride height while driving (for maximum aerodynamics), the system raises the vehicle from back to front to help keep headlights safely focused downward at the road ahead.

CHOOSE YOUR 4x4 SYSTEM.

QUADRA-DRIVE II™ puts class-leading⁽³⁾ capability in your control, to get you through virtually any driving situation. An Electronic Limited-Slip Differential (ELSD) can transfer up to 100 percent of torque to the wheel(s) with the most traction.

QUADRA-TRAC II™ offers all-speed traction control to help keep you on course. If wheel slippage occurs, up to 100 percent of the available torque can be routed to the axle with the most traction. Low range provides rock-crawling prowess.

QUADRA-TRAC I™ is fully automatic; no driver interaction is required. A single-speed transfer case offers a continual balance of torque distribution; if wheel slippage occurs, the system seamlessly transfers torque to the axle with the most traction.

ALL-WEATHER ALL-STAR.

YOU'RE PROTECTED FROM THE WORLD AND ITS WORRIES, THANKS TO GRAND CHEROKEE'S ALL-WEATHER CAPABILITY AND SMOOTH RIDE. ENDLESS HOURS OF DETAILED ATTENTION ENSURES GRAND CHEROKEE'S FIT, FINISH, AND DURABILITY RESULT IN HANDLING THAT FEELS CLOSER TO A LUXURY SEDAN THAN AN ALL-WEATHER SUV.

UNIFRAME CONSTRUCTION. + Renowned ultra high-strength Jeep® engineered UniFrame construction adds to the stiffness and rigidity of Grand Cherokee's structure, helping to reduce road noise and protect occupants.

ALL-WEATHER WHEREWITHAL. + Jeep engineers devoted endless hours to ensure Grand Cherokee's systems can safely and seamlessly get you through the challenges Mother Nature provides. Available rain-sensing wipers immediately go into action when needed, without driver input. The Antilock Brake System (ABS) with Brake Support helps keep you on course by providing appropriate braking action to individual wheels, as needed.

Grand Cherokee Limited in White Gold Metallic.

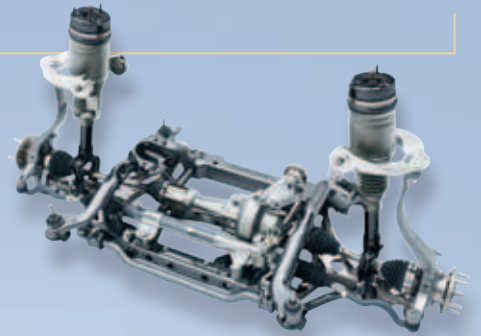

Properly secure all cargo.

IMPECCABLE ROAD MANNERS.

When they ask about Grand Cherokee's smooth, refined ride; the hushed, acoustically sound cabin; the easy, controlled cornering, answers come easy. The isolated cradles of the independent front and rear suspension help provide added cushioning that is likely to recall rides taken in the priciest luxury sedans. The double-dash construction and premium insulation help stop road noise in its tracks. The exacting fit and finish manufacturing methods are designed to create near-perfect assemblies. It all adds up to an on-road experience that can make every trip memorable.

SMART. STRONG.

POWER YOUR GRAND CHEROKEE WITH EITHER THE STANDARD, AWARD-WINNING 3.6L PENTASTAR™ V6 ENGINE WITH VARIABLE VALVE TIMING (VVT) OR THE AVAILABLE 5.7L VVT V8 ENGINE WITH FUELSAVER MDS TECHNOLOGY, AND YOU'LL EARN CLASS-LEADING⁽³⁾ RAVES IN EACH CASE. BOTH ARE ENGINEERED TO DELIVER THE CAPABILITY YOU EXPECT FROM A JEEP® VEHICLE AND COME PACKAGED WITH EFFICIENCIES THAT HELP PUT MORE KILOMETRES AND SCENERY BETWEEN FILL-UPS.

PENTASTAR 3.6L VVT V6 ENGINE

Named one of *Ward's* "10 Best Engines" for 2011. The Pentastar cranks out enough power to tow up to 2269 kg (5000 lb)⁽⁴⁾ and the efficiency to achieve a Best-in-Class⁽³⁾ driving range of over 1000 km per tank.

Dual overhead camshafts (DOHC) and structural refinements allow it to achieve an unsurpassed 4x4 highway fuel economy⁽³⁾ of 8.8 L/100 km (32 mpg).⁽⁵⁾ Standard.

5.7L VVT V8 ENGINE WITH MDS

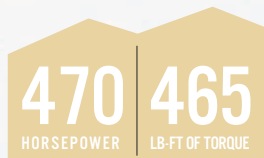

This workhorse churns out Best-in-Class⁽³⁾ horsepower and torque, and is strong enough to tow a Best-in-Class⁽³⁾ 3266 kg (7200 lb).⁽⁴⁾ FuelSaver MDS Technology revamps this eight-cylinder, 360 hp brute into a four-cylinder model of efficiency during cruising speeds. Yet when you step on the pedal, all eight cylinders are seamlessly at your disposal.

6.4L HEMI® V8 ENGINE WITH MDS

Grand Cherokee SRT8® is Canada's most powerful SUV.⁽¹⁾ The all-new 6.4-litre HEMI V8 engine with FuelSaver MDS Technology delivers 470 horsepower and 465 lb-ft of torque, running from zero to 100 km/h in less than five seconds with a top racetrack speed of 257 km/h.* An active intake manifold and high-lift camshaft with cam phasing deliver maximum low-end torque while optimizing high-end power across a wider and improved rpm band.

*Drive responsibly. Always obey the rules of the road.

ANTILOCK BRAKE SYSTEM (ABS). The benefits of ABS shine on slippery, wet roads. This advanced system knows when you're driving over rough terrain and adjusts accordingly to help keep you in optimum control. Standard.

ADAPTIVE CRUISE CONTROL (ACC).⁽⁸⁾ Engage this system and it will automatically adjust cruising speed to maintain a preset distance between your Grand Cherokee and the crowd ahead. Available.

FORWARD COLLISION WARNING (FCW).⁽⁹⁾ Even the most attentive drivers will appreciate the help of this new warning system. Approach another vehicle too rapidly and Grand Cherokee lets you know so you can take appropriate action. Available.

BLIND-SPOT MONITORING⁽¹⁰⁾ AND REAR CROSS-PATH DETECTION SYSTEM.⁽¹¹⁾ These watchdogs are on constant alert, monitoring the space between you and other drivers. When a side or rear blind-spot is encroached, you're notified via illuminated icons on sideview mirrors or an audible chime. Available.

PARKVIEW[®] WITH PARK-SENSE[®] REAR PARK ASSIST SYSTEMS.⁽¹¹⁾ Back out with grace. These systems help bring previously hidden rear objects to your attention, either on-screen or with an audible warning. Available.

ACTIVE FRONT HEAD RESTRAINTS.⁽¹²⁾ An effective safety feature that can help stave off neck injuries. In the event of a rear-end collision, the restraint moves forward and upward, decreasing the space between the head restraint and the occupant's head, reducing the chance of injury. Standard.

SMARTBEAM[™] HEADLAMPS WITH AUTO-LEVELLING. Bi-Xenon High Intensity Discharge (HID) headlamps shine up to three times brighter than regular headlamps. A new auto-levelling feature keeps lamps focused down at the road ahead. Available.

A SAFE, SECURE AIR BAG SYSTEM.⁽¹³⁾ Full-length side-curtain, front-seat-side, and advanced multistage front air bags all work in tandem to help provide protection for all occupants. Standard.

SENTRY KEY[®] ENGINE IMMOBILIZER. A unique, embedded key code matched only to your vehicle helps keep your Grand Cherokee safely where it belongs. Standard.

RAIN-SENSITIVE WIPERS AND RAIN BRAKE SUPPORT. Storm clouds hold little influence over your daily drive. Front wipers activate when raindrops are detected on the windshield. The smart brake system helps dry the brake rotors on wet roads to ensure the shortest stopping distance when windshield wipers are activated. Rain Brake standard, Rain-Sensitive Wipers, available.

GUARDIAN HERO.

PEACE OF MIND TAKES YOU AND YOURS FAR. JEEP[®] GRAND CHEROKEE IS ENGINEERED TO PERFORM HEROICALLY IN ALL DRIVING CONDITIONS. YOU'LL FEEL THE STRENGTH OF ITS REINFORCED STRUCTURE, SHELTERED WITHIN AN ENVIRONMENT THAT OFFERS UP TO 45 SAFETY AND SECURITY FEATURES. GO BOLDLY FORTH, EMPOWERED WITH THE CONFIDENCE OF A TOP SAFETY PICK FROM THE INSURANCE INSTITUTE FOR HIGHWAY SAFETY.⁽⁶⁾

ELECTRONIC STABILITY CONTROL (ESC).⁽⁷⁾ A vehicle-wide network of safety sensors provides instant aid when it detects that you're veering off your intended path. ESC immediately goes into action by applying the brakes and reducing the throttle when needed. Standard.

READY ALERT BRAKING (RAB). Works in harmony with ESC to anticipate emergency braking situations, reducing the time required for full brake application. Standard.

HILL DESCENT CONTROL (HDC) AND HILL START ASSIST (HSA). HDC provides downhill assistance at a safe and controlled rate of speed without requiring the driver to touch the brakes. HSA delays vehicle roll when starting on an uphill or downhill gradient. It holds the vehicle stationary for two seconds after the driver's foot is removed from the brake pedal, allowing time to apply the throttle. Standard.

ELECTRONIC ROLL MITIGATION (ERM).⁽⁷⁾ If things get rough, ERM takes immediate action to help you maintain stability and remain under control. Standard.

TRAILER SWAY CONTROL (TSC). Crosswinds and traffic hold no sway over you and your payload. As part of ESC, TSC helps keep you, and the toys you are towing, safely on course and under control. TSC can recognize a swaying trailer and will automatically apply any individual wheel's brakes and/or reduce engine power in an attempt to eliminate the trailer sway. TSC applies brake pressure on all four wheels to slow the vehicle, while increasing pressure on one front wheel to counteract the sway. Standard.

ENHANCED ACCIDENT RESPONSE SYSTEM (EARS). Should air bags deploy, EARS switches on the interior and hazard lamps, unlocks the doors, and shuts off fuel supply after the vehicle has stopped. Standard.

THIS ELEGANT AND POWERFUL MACHINE TURNS HEADS AS QUICKLY AS IT TURNS CORNERS. ITS AGGRESSIVE PROFILE RESEMBLES A HIGH-PERFORMANCE SPORTS CAR WITH ITS FASCIA INTAKES, LED DAYTIME RUNNING LIGHTS, BODY-COLOUR GRILLE WITH BLACK MESH AND CHROME INSERTS, AND VENTED HOOD. BY NECESSITY, A REAR SPOILER HELPS GRAND CHEROKEE SRT8® STICK TO THE ROAD WHEN ITS AWE-INSPIRING 470 HP/465 LB-FT POWERTRAIN TAKES OFF.*

SHINY THINGS. + There is nothing like it on the road today. Grand Cherokee SRT8® definitely gets noticed for its unique appearance and luxurious amenities. They'll stop and stare at the split five-spoke 20-inch forged aluminum wheels that ride on Pirelli® PZero run-flat tires. Red Brembo® six-piston caliper brakes, LED daytime running lights and chrome accents finish off its performance appearance.

1 VROOM ROOM. + The cockpit has a leather-wrapped, heated steering wheel with a flat bottom, deeply bolstered leather-faced seats with perforated suede inserts and real carbon-fibre accent trim. Steering wheel-mounted paddle shifters put all of the power in the palm of your hand. An awe-worthy dual-pane sunroof is an available addition.

2 THRILLING. + When its intimidating 6.4L HEMI® V8 engine takes off, SRT8 is fueled by 470 hp and 465 lb-ft of torque, launching you from zero to 100 km/h in less than five seconds.* The engine's FuelSaver MDS Technology optimizes fuel efficiency when V8 power is not required, with no sacrifice in performance.

3 SELEC-TRACK™ SYSTEM. + Now, discerning drivers have a choice between five different performance settings (track, sport, auto, snow, tow). Depending on the setting, the system adjusts stability control, damping, transmission shifts, torque proportioning, throttle response, and electronic limited-slip differential for optimal performance according to conditions.

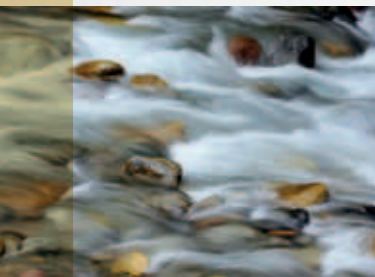

OVERLAND TRAVELS WELL AS THE MOST LUXURIOUS VEHICLE IN ITS CLASS.⁽¹⁾ ITS SUPREME INTERIOR CRAFTSMANSHIP FEATURES A LONG LIST OF REFINED AMENITIES. ULTIMATE CAPABILITY IS ACHIEVED WITH A NEWLY AVAILABLE 6-SPEED AUTOMATIC TRANSMISSION THAT'S PAIRED WITH THE LEGENDARY AND EFFICIENT 5.7L VVT V8 ENGINE WITH FUELSAVER MDS TECHNOLOGY. THIS COMBINATION GIVES YOU THE POWER TO TOW UP TO A BEST-IN-CLASS⁽³⁾ 3266 KG (7200 LB).⁽⁴⁾ THE CLASS-EXCLUSIVE⁽³⁾ QUADRA-LIFT™ AIR SUSPENSION SYSTEM GIVES YOU EXCEPTIONAL CONTROL OVER YOUR DRIVING EXPERIENCE.

Grand Cherokee Overland® with New Saddle interior.

LEATHER-WRAPPED GLORY. + A heated and ventilated eight-way power driver's seat with power lumbar control is standard, and soft-touch materials throughout leave no room for compromise on this authentic legend.

1 DETAILED DIFFERENCE. + Richly appointed interior treatments include chrome details, real wood trim, Nappa leather-faced seating with edge welting, a heated, leather-wrapped power tilt/telescoping steering wheel, and a leather-wrapped and stitched instrument panel and centre console.

2 COMMANDVIEW® SUNROOF. + With the available panoramic sunroof, your view is always all-encompassing. By adding this dual-paned, sliding-glass ceiling, your travels continue in brilliant high definition. Everyday adventures are wide-screen worthy.

3 A SYSTEMIZED, REVOLUTIONARY RIDE. + The Quadra-Lift™ Air Suspension System gives you ultimate control of your suspension system, along with a serious lift in performance and capability.

Grand Cherokee Limited in Winter Chill Pearl with optional 20-inch wheels.

LIMITED

TRAIL RATED® 4x4 POWER IS YOURS FOR THE TAKING. WHETHER YOU POWER THE RICHLIY APPOINTED LIMITED WITH THE EFFICIENT 3.6L PENTASTAR™ V6 ENGINE WITH VVT, OR THE ULTIMATE 5.7L VVT V8 ENGINE, YOU'RE CAPABLY COVERED WITH THE STANDARD 4WD QUADRA-TRAC II™ SYSTEM. THE STANDARD CLASS-LEADING⁽³⁾ SELEC-TERRAIN™ VEHICLE MANAGEMENT SYSTEM HELPS TO GAIN PASSAGE, WHETHER YOU CHOOSE TO TRAVEL ON ROADS COVERED WITH SNOW, MUD, SAND, OR ROCKS.

SCULPTED AND ATHLETIC. + Grand Cherokee Limited's muscular profile speaks volumes about its capabilities – as strong and focused as a world-class athlete. Chrome mirrors and door handles and 18-inch polished aluminum wheels give an upscale street presence. All-weather capability comes with your choice of two 4x4 systems, each engineered with exclusive Jeep® brand strength.

1 THE RIGHT LIGHT. + Bi-Xenon High Intensity Discharge (HID) headlamps have SmartBeam™ auto-dimming technology that automatically and quickly adjusts high beams to surrounding sources of light so you can keep your attention focused where it matters most.

2 QUIET ON THE SET. + Keep your rear-seat passengers quietly engaged. An available Rear DVD Entertainment System includes a nine-inch fold-down DVD screen along with ports to connect games and media players with audio and video output capability. The system includes a wireless remote control unit and two wireless headsets.

3 ADVANCED TECHNOLOGY INFUSION. + Limited's leather-faced seating and soft-touch interior brims with standard technological advancements, including a Media Centre 430 radio outfitted with the safe and convenient voice-activated Uconnect™ Phone⁽¹⁶⁾ for multiple Bluetooth® compatible phones. Heated seats warm passengers in the first and second rows.

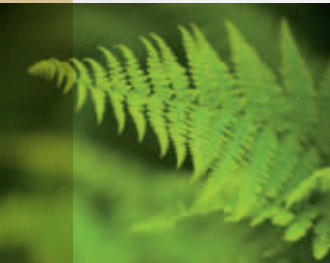

LAREDO

17
LAREDO

LAREDO'S ALL-WEATHER 3.6L PENTASTAR™ VVT V6 ENGINE AND QUADRA-TRAC I™ 4WD SYSTEM DELIVER UNSURPASSED 4x4 HIGHWAY FUEL EFFICIENCY⁽³⁾ OF UP TO 8.8L/100KM (32 MPG)⁽⁵⁾ IT TAKES TO THE ROAD WITH THE HUSHED RIDE OF A STEALTH MACHINE, THANKS IN PART TO DOUBLE-DASH CONSTRUCTION AND SURROUNDING ACOUSTIC GLASS. STANDARD INTERIOR AMENITIES ABOUND. SIMPLY CARRY THE KEY FOB IN YOUR POCKET, PURSE, OR BRIEFCASE, AND THE KEYLESS ENTER-N-GO FEATURE AUTOMATICALLY UNLOCKS THE DOORS AND ALLOWS YOU TO START THE ENGINE WITH A SIMPLE PUSH OF THE START/STOP BUTTON.

Grand Cherokee Laredo in Deep Cherry Red Crystal Pearl.

Properly secure all cargo.

THE JEEP® LIFE. + Grand Cherokee Laredo arrives outfitted with all the finery and capability that makes this Jeep brand icon a classic. Tinted glass, fog lamps, cruise control, and 17-inch aluminum wheels are all standard fare.

- 1 **DUAL-ZONE AUTOMATIC TEMPERATURE CONTROL (ATC).** + An advanced infrared sensing device automatically checks the temperature of the driver and front passenger, as well as the air temperature inside the cabin to create a customized, comfortable environment. Available.
- 2 **ALL-INVITING.** + The leather-wrapped tilt/telescoping steering wheel with cruise and audio controls are standard. Laredo's standard Media Centre 130 radio arrives with six speakers, an auxiliary input jack, and a one-year subscription to SIRIUS® Satellite Radio.⁽¹⁵⁾
- LAREDO X.** + Builds off Laredo, adding standard luxurious leather-faced seating, heated front seats, power front-passenger seat, 6.5-inch touch-screen Media Centre 430 radio with 506-watt Alpine® Sound System, Park-Sense® Rear Park Assist System,⁽¹¹⁾ Dual-Zone Automatic Temperature Control (ATC), Remote Start, and more.
- 3 **CARGO HOLD.** + Configure your interior to suit the situation. The 60/40 split-folding rear seats fold flat to reveal a large rear cargo area that offers up to 1943L of room for gear.

WELL-CONNECTED.

STAY IN TOUCH WITH THE PEOPLE, MUSIC, AND DEVICES THAT MATTER MOST. UCONNECT™ IS AN INTUITIVE HUB FOR ALL YOUR MEDIA — CELL PHONE, NAVIGATION SYSTEM, MP3 PLAYER, AND SMARTPHONE. YOU'LL STAY CONNECTED, INFORMED, ENTERTAINED, AND FOCUSED ON DRIVING WITH THIS USER-FRIENDLY SYSTEM.

PHONE. Uconnect Phone is the in-vehicle, voice-activated communication system that allows you to talk on your Bluetooth® compatible phone virtually hands-free.⁽¹⁶⁾ This clever system is also smart enough to synchronize with your Bluetooth compatible phone's address book⁽¹⁶⁾ — up to 1000 entries — every time you get into your vehicle.

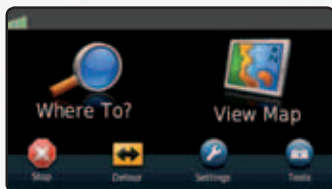

VOICE COMMAND.⁽¹⁶⁾ It simplifies driving by letting you keep your eyes on the road and your hands on the wheel. Use your voice to select AM/FM radio stations and make calls. Select navigation destinations, and record voice memos. This smart system technology can also be trained to better recognize your voice and can understand commands in English, French, and Spanish.

ENTERTAINMENT. You'll have several ways to access audio. Get the sound going via CDs/DVDs, MP3s, remote USB port, auxiliary input jack, hard disc storage, Voice Command,⁽¹⁶⁾ and Bluetooth streaming audio.

NAVIGATION.⁽¹⁷⁾ Provides enhanced GPS navigation and destination entry via voice command.⁽¹⁶⁾ It can also locate nearby restaurants, shopping, hospitals, or points of local interest.

GARMIN GARMIN® NAV!⁽¹⁷⁾ Head out in the right direction with a Media Centre that includes Garmin, the most recognized name in GPS wayfinding. It features Garmin's intuitive user interface and navigation with lane guidance, bringing the popular handheld experience to a factory in-dash screen.

Jeep®

Disclaimers. 1) Based on 2011 *Ward's* SUV segmentation. With normally aspirated V8 engines. 2) Do not attempt water fording unless depth is known to be less than 51 cm (20 inches). Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. 3) Based on 2011 *Ward's* Middle Sport Utility Vehicle segmentation. 4) When properly equipped. 5) 2012 EnerGuide consumption ratings shown. Transport Canada test methods used. Actual fuel consumption may vary. 6) Top Safety Pick is a rating issued by the Insurance Institute for Highway Safety. 7) No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice, and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. (8) ACC is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use brakes to avoid collisions. 9) FCW system is solely an alert system for the front of the vehicle which does not take any actions to change vehicle dynamics to avoid a collision; not a substitute for active driver involvement. 10) Always check visually for vehicles prior to changing lanes. 11) Always check entire surroundings before backing up. 12) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 13) The Advanced Front Air Bags in this vehicle are certified to the U.S. federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 14) Based on 2011 *Ward's* Middle Sport Utility Vehicle segmentation. Overland model. 15) Requires SIRIUS Satellite Radio Subscriptions governed by SIRIUS Terms and Conditions available at siriuscanada.ca. 16) Must use Bluetooth compatible phone. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. 17) Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. Navigation function uses part of the 40GB capacity.

About this catalogue. Since the time of printing, some of the information you'll find in this catalogue may have been updated. Ask your retailer for details. Some of the equipment shown or described throughout this catalogue is available at extra cost. Specifications, descriptions, illustrative materials, and all competitive comparisons contained herein are as accurate as known at the time this publication was approved for printing. Chrysler Canada Inc. reserves the right to make changes at any time without notice and without incurring obligation. All options are required in combination with other options. For the price of the model with the equipment you desire, or verification of specifications contained herein, see your Chrysler, Jeep, Dodge, Ram Retailer.
