

# Jeep<sup>®</sup>

## GRAND CHEROKEE

The background of the entire image is a close-up, vertical wood grain texture. The top and bottom sections are a rich, warm brown color, while the middle section is a lighter, muted taupe color. The wood grain lines are vertical and run the full height of the image, creating a sense of depth and texture.

Leave it to Jeep® Grand Cherokee  
to deliver this unique brand of hand-  
hewn character in a modern package  
that's altogether uncompromising.  
This is where new meets old and the  
most beautiful of adventures begins.

**SCULPTED AND ATHLETIC.** Meet the all-new heir to Grand Cherokee's nearly 20-year heritage of original, innovative design. Nearly every exterior surface has been re-imagined to improve aerodynamics and reduce noise, vibration and harshness.

Jeep

**INGENUITY UNLEASHED.** The imaginations of Grand Cherokee's designers and engineers were given free rein to create an all-new SUV that exceeds all expectations. After literally hundreds of handmade and computer-aided sketches and designs, the results revealed in the Jeep Grand Cherokee are simply stunning.

DETAIL OF ICONIC  
JEEP GRILLE WITHIN  
INNER LAMP

# The adventure of designing a masterpiece.

## AN ARTIST'S EYE FOR DETAIL.

Interior designers took exceptional care and attention with the Grand Cherokee's all-new cabin. Soft-touch accents, hands-free technology and utterly luxurious amenities are crafted with an artisan's eye for detail.

The challenge of merging all-new capability with appointments of effortless grace was formidable. The result? An evolutionary masterpiece culled from 70 years of rugged Jeep® brand expertise, a steady hand and a palate for detailed finery. This is the all-new Jeep Grand Cherokee.

## TIMELESS DESIGN.

Jeep brand vehicles are among the most easily recognised in the world. With the all-new Grand Cherokee, you also see something more: It has taken a breathtaking step forward. A higher, wider stance reflects tremendous strength. The traditional seven-slot grille and trapezoidal wheel arches tell the world you're driving a legend.

## INNOVATIVE ENGINEERING

Redefined world-class capability and luxury. Thus, with this formidable task firmly in hand, Jeep brand engineers have infused Grand Cherokee with technical wonders, like the revolutionary Quadra-Lift™, Selec-Terrain™, Adaptive Cruise Control,® and luxurious feel-good amenities, such as the available CommandView® dual pane sunroof.

## QUALITY ASSURED.

Jeep brand engineers and testers helped validate Grand Cherokee's solid durability and strength by devoting countless hours to wind, noise and aerodynamic evaluations. Their tireless work helps ensure Grand Cherokee's weather-tight, quiet ride. Its capability was proven in the most extreme conditions, like those on the Rubicon Trail.

**THIS INTERIOR HAS EVERYTHING YOU DESIRE.** The meticulously hand-stitched leather-covered tilt/telescoping steering wheel with cruise control, EVIC and remote audio control are standard. Available: real wood, heated power tilt/telescoping steering wheel, including Uconnect with Voice Command, hands-free phone and Adaptive Cruise Control<sup>®</sup> (ACC).

**THE DIFFERENCE IS IN THE DETAILS.** Every surface within reach is soft to the touch. Available: real wood, chrome details and stitching accents offer exceptional craftsmanship. With Keyless Enter-N-Go, your key can stay in your pocket or purse – and your journey begins with the simple push of a button.

**THESE SEATS ARE ABSOLUTELY ALL-INVITING.** All-new premium seats are designed for comfort and versatility, and deliver with every stylish stitch. Standard: eight-way power driver's seat, power lumbar control, reclining rear seats and detailed stitching. Available: premium leather-trimmed interior, eight-way power passenger seat, heated first- and second-row seats and ventilated front seats.

**BEST-IN-CLASS REAR SEAT LEG ROOM.<sup>(1)</sup>**

Now more comfortable than ever, the Grand Cherokee adds 102 mm of leg room to the second row of reclining seats. Heated rear seats further complement passenger comfort.

**SMART UTILITY.** A larger rear cargo area opens to reveal 1030 litres of room for luggage. Appointments are useful as well as stylish with available attractive floor-protecting runners, a removable rechargeable flashlight, grocery hooks and dual storage bins inside the spare tyre compartment, now conveniently placed under the cargo floor.

**PREMIUM RIDE AND HANDLING.**

You're protected from the world and its worries, thanks to Grand Cherokee's hushed and smooth ride. A stronger Uni-Frame construction, manufacturing improvements that tighten fit and finish, additional sound dampening elements, and new steering and suspension designs come together to deliver a controlled and quietly luxurious ride.

**COMMANDVIEW<sup>®</sup> DUAL PANE PANORAMIC SUNROOF.**

This new, available feature delivers commanding views that might otherwise go unnoticed.

Two large panes of glass provide a clear view to the sky, with power open/close control and a power sunshade to help keep things cool when needed.

REVOLUTIONARY  
Quadra-Lift™ Air Suspension

Adding to Grand Cherokee's all-new roster of robust and finely tuned technologies is the Quadra-Lift, engineered to take you to incredible new heights. This closed-type air suspension system elevates you to master the road ahead, allowing you to electronically adjust the suspension, thus augmenting its capabilities. Rather than drawing exterior air, like more power- and time-consuming open-type systems, Grand Cherokee sends stored, pressurised air to the springs as needed. In turn, the system re-pressurises the reservoir, rather than releasing the air out of the vehicle. This gives you the ability to quickly adjust your vehicle ride height, no matter the altitude. It also raises the vehicle from back to front, keeping headlights focused downward at the road in front of you, supporting a safer and smoother transition.

The Quadra-Lift adds up to 104 mm of lift supported by four-corner air springs that help provide a cushioned, luxurious ride. Better yet: you control this ingenious system with the push of a button or turn of a dial. Welcome to a world that is far above and beyond the everyday.

104 MM OF LIFT SPAN

OFF-ROAD 2 (+65 mm) 270 mm ground clearance

OFF-ROAD 1 (+33 mm) Added height helps clear obstacles

NORMAL RIDE HEIGHT A very capable 205 mm of clearance

AERO MODE (-15 mm) Improved aerodynamics

PARK MODE (-40 mm) Easier entry, exit and loading

## ALL-NEW CAPABILITY CONTROL Select-Terrain™ System

Optimal on- and off-road traction is instantly at hand with the revolutionary Selec-Terrain. Five selectable settings electronically coordinate 12 different vehicle management systems, including Hill Start Assist (HSA), Hill Descent Control (HDC), throttle control, transmission shifting, transfer case, traction control and Electronic-Stability Control (ESC).<sup>(6)</sup> Coupled with the all-new available four-corner Quadra-Lift™, you'll have an adjustable suspension span that delivers legendary Jeep® brand Trail Rated® performance.

### SAND/MUD

Traction control operates with aggressive response to wheel spin. The suspension raises for optimal performance.

### SPORT

Improves on-road fun-to-drive capability with enhanced torque-split and aerodynamics.

### AUTO

Intuitively adapts to any on- or off-road situation. It perfectly orchestrates 12 vehicle systems so you can simply enjoy the drive.

### SNOW

Adjusts for ultimate performance over snow- and ice-covered roads by maximising vehicle stability and minimising oversteer.

### ROCK

Raises vehicle to maximum height. The transfer case, differential and throttle coordinate to provide low-speed control.

**SELEC-TERRAIN™ VEHICLE-MANAGEMENT SYSTEM.**

Enhances Grand Cherokee's renowned 4WD capability: Selec-Terrain tailors traction performance to expertly tackle whatever the road sets before you, be it mud, sand, snow or rambling two-tracks. It automatically adjusts and coordinates 12 vehicle-management systems, all with a simple turn of a dial.

**BADGE OF HONOUR.** Jeep® Trail Rated® vehicles are designed to tackle challenges like true off-road warriors. They perform to rigorous standards in five performance categories: Articulation, Traction, Manoeuvrability, Ground Clearance and Water Fording.® Visit [jeep.com](http://jeep.com) to learn more about the superior capabilities behind the badge.

**PENTASTAR™ 3.6L V6 ENGINE.** This all-new power plant infuses your Grand Cherokee with 210 kW, while increasing fuel economy by 11%. A state-of-the-art design incorporates dual overhead camshafts (DOHC) and structural refinements that allow it to operate quietly while it turns on the power.

**3.0L V6 DIESEL ENGINE.** Opt for the 3.0L V6 CRD engine, an efficient performer that sips fuel and reduces exhaust emissions. It accomplishes this with assistance from a highly pressurised fuel rail connected to piezo injectors. Translation: fuel burns more completely and you enjoy a greener world.

**QUADRA-LIFT™ AIR SUSPENSION SYSTEM.** Gain ultimate control of your suspension system along with a serious lift in off-road performance and capability. This revolutionary system allows you to easily raise your vehicle up to 104 additional millimetres, from park mode to a maximum 270 mm of ground clearance.

**GRAND CHEROKEE OVERLAND.** Premium, world-class Jeep® brand capability seamlessly infused with top-of-the-line luxuries and refinements. **STANDARD:** Exclusive Overland badge on liftgate, 3.6 Pentastar™ V6 engine, power liftgate, 20-inch Satin Carbon painted wheels, Quadra-Trac II® 4WD system, CommandView® dual pane panoramic sunroof, Selec-Terrain™ vehicle-management system, Quadra-Lift™ SmartBeam™ BI-Xenon High-Intensity Discharge (HID) headlamps with auto-levelling and headlamp washers, Nappa leather-trimmed seats with edge welting, ventilated front seats, real Olive Ash burl wood steering wheel, leather-wrapped and stitched instrument panel, door trim and armrests, Keyless Enter-N-Go, Alpine® Premium Audio System, Infrared Dual Zone Climate Control, Front and Rear Park Assist System,<sup>(2)</sup> Rear Back-Up Camera,<sup>(2)</sup> Uconnect® navigation system. **AVAILABLE:** 5.7 V8 engine with Multi-Displacement System (MDS) and VVT, 3.0L V6 CRD Turbo Diesel, Quadra-Lift™ air suspension system, Quadra-Drive® II 4WD system, Adaptive Cruise Control (ACC),<sup>(7)</sup> Blind Spot Monitoring<sup>(3)</sup> and Rear Cross-Path Detection,<sup>(4)</sup> Forward Collision Warning (FCW).<sup>(6)</sup>

With an uncompromised ride,  
when two roads diverge in the woods,  
yours is always the one best travelled.

CommandView<sup>®</sup> Sunroof.  
With the available all-new panoramic sunroof, your view is always all-encompassing. By adding this dual paned, sliding-glass ceiling, your travels continue in brilliant high definition. Everyday adventures are wide-screen worthy.

Here's to the well-connected.  
Here's to those who travel with a  
soundtrack and never need maps  
to know where they're headed.

**STAY CONNECTED.** Outfit your Grand Cherokee with Uconnect to help stay in touch with the people, music and devices that matter most. It acts as the hub for your most important media — cell phone, navigation system and personal devices such as an iPod® or smart phone. The Uconnect user-friendly systems are designed to make your life easier, wherever you roam.

**PHONE.**

Talking on the phone while driving has

never been easier — or more responsible. Uconnect Phone is the in-vehicle, voice-activated communication system that allows you to pair up to seven Bluetooth® compatible phones and then talk virtually hands-free. This system is also clever enough to synchronise with your phone's address book — up to 1000 entries — every time you get into your vehicle. Audible text messaging offers instant — and safe — text communication.

**VOICE COMMAND.**

It simplifies driving by letting

you keep your eyes on the road and your hands on the wheel. Vocally select FM radio stations, make and receive calls, select navigation destinations and record voice memos. This smart system technology can also be trained to better recognise your voice and can understand commands in English, French and Spanish.

**MULTIMEDIA.**

Manage all of your media. You'll have three

ways to access audio; a 30GB hard drive, iPod® Control with Voice Command and Bluetooth® streaming audio.

**NAVIGATION.**

Provides turn-by-turn guidance by voice command

and visual display. It can also locate nearby restaurants, shops, hospitals, or points of local interest.

### 3.6L PENTASTAR™ V6 ENGINE.

All-new and engineered equally for fuel efficiency, Best-in-Class horsepower and refinement. The Pentastar engine makes the most of its dual overhead cams (DOHC) and Variable Valve Timing (VVT) to deliver optimum combustion efficiency over the full speed and load ranges. Translation: it outperforms its predecessor by providing an increase of 38 percent in power (210 kW) and 11 percent in torque (347 N.m) with a very appealing 10 percent improvement in highway fuel economy, delivering up to a 804 km driving range.

### 3.0L V6 DIESEL ENGINE.

The advanced technology of the available 3.0L V6 CRD engine combines 177 kW and 550 N.m of torque with fuel-saving economy that work in harmony to keep you going between fill-ups. A Variable Geometry Turbocharger helps reduce fuel consumption and exhaust emissions.

Jeep® Grand Cherokee. Redefines the ascent. It's about being polite and powerful within the confines of every incredible instant. Grand Cherokee's power plants, each infused with Variable Valve Timing (VVT), may speak quietly but they always command a great deal of respect.

### 5.7L V8 ENGINE WITH MDS AND VVT.

This workhorse is strong enough to tow up to 3500 kg,<sup>(12)</sup> with a Multi-Displacement System (MDS) that revamps your eight-cylinder, 259 kW brute during cruising speeds, turning it into a four-cylinder model of efficiency. When you want full action, step on the pedal and all eight cylinders roar to life, delivering full 520 N.m of torque and power upon request. Variable Valve Timing (VVT) contributes to a pleasing fuel efficiency.

#### TOWING DATA (kilograms)

Gross Trailer Weight Rating <sup>(12)</sup>	
3.6L V6 .....	2268 kg
3.0L V6 CRD .....	3500 kg
5.7L V8 .....	3500 kg

**RESTRICTION:** Trailer frontal area limitation of 5.9 m<sup>2</sup>; maximum trailer length of 9 m (Class IV); Trailer Sway Control and low-profile mirrors are recommended.

This chart is meant to serve as a quick and easy reference guide on how to properly equip your Jeep® Grand Cherokee for towing. For specific details, discuss your plans with your Jeep dealer, who will help you select the right equipment to meet your specifications.

**CUSHIONED CRUISING.** The impeccable road manners of an all-new independent front and rear suspension system deliver an exceptional driving experience that's quiet and smooth. The Trailer Tow Package includes load-leveling shock absorbers that automatically raise the vehicle's height when payload is increased. You can continue to cruise with control, even when weighted with heavy cargo.

**KEYLESS ENTER-N-GO.** Live, ride and drive key-free. This new technology automatically unlocks doors when you pull the handle, letting you keep your focus on more important things, rather than fumbling for a key fob. Once inside, a simple press of the Start/Stop button and brake pedal brings Grand Cherokee's engine to life, and you're instantly prepared for departure.

AUTHENTIC ACCESSORIES

It reflects a true American heritage, fused with modern cues and curves. The seven-slot grille speaks volumes about its legendary style and capability. Its presence is at once contemporary and timeless. By any measure, there's nothing quite like the all-new Jeep® Grand Cherokee.

**ALWAYS AUTHENTIC, FROM EVERY ANGLE.** When your Grand Cherokee is outfitted with Authentic Jeep® Accessories by Mopar, its impressive presence is further amplified. All Mopar products are specifically designed to enhance your vehicle, sculpting it into a creation of impeccable taste and discernment. As the official parts and accessories division of Chrysler Group LLC, you should regard Mopar parts as original equipment, manufactured with the same uncompromising standards as your Jeep Grand Cherokee. Shown on vehicle at left: Chrome Fog Light Bezels, Chrome Tubular Side Steps, Chromed Stainless Steel Mesh Grille Insert and 20-inch Chrome Wheels. For the full line of Authentic Jeep Accessories by Mopar, visit [mopar.com](http://mopar.com).

**SMARTBEAM™ HIGH-INTENSITY HEADLAMPS WITH AUTO-LEVELLING.** The right beam of light, right when and where you need it. Bi-Xenon High-Intensity Discharge (HID) headlamps automatically and quickly adjust high-beam brightness and intensity so you can keep your attention focussed where it matters most. The auto-levelling feature is kept on keeping the headlights aimed safely down at the road.

Featuring left-hand-drive vehicle image.

**EFFORTLESS ACCESS.** Designed for beauty as well as ultimate utility, the all-new power liftgate adds graceful accessibility to Grand Cherokee's rear cargo area. Keyless Enter-N-Go is hands-free via the key fob, so you can keep hold of what's in your hands without fumbling to unlock the gate. Rear visibility is improved via a significantly larger flipper glass panel with rear wiper.

**MORE CARGO ROOM.** With 1030 litres of cargo volume behind the second-row seats, Grand Cherokee lets you take your adventure gear, along with five passengers, to places known and unknown. When it's time for moving the big things in life, fold down the rear seats to have access to 1934 litres of free space.

**GRAND CHEROKEE LIMITED.** Jeep® brand capability takes on a high level of technologically advanced systems and interior features. **STANDARD:** Exclusive Limited badge on liftgate, 3.6 Pentastar™ V6 engine, Quadra-Trac II® 4WD system, Selec-Terrain™ vehicle-management system, remote start, Rain-Sensitive Wiper System, SmartBeam™ Bi-Xenon High-Intensity Discharge (HID) headlamps with auto-levelling, Keyless Enter-N-Go, heated first- and second-row leather-trimmed seats, AM/FM/CD/DVD radio, Uconnect Phone and 18" alloy wheels. **AVAILABLE:** 3.0L V6 CRD Turbo Diesel, Quadra-Drive® II 4WD system, CommandView® dual pane panoramic sunroof.

**SURE-FOOTED STYLE AND GRACE.** The new Quadra-Lift™ air suspension system allows you to lower Grand Cherokee 40 mm below normal ride height for easier entry, exit and loading. When it comes to on-road manners and interior comfort, a few short millimetres added to the all-new Grand Cherokee's wheelbase help deliver a ride that is miles above and beyond the ordinary. By increasing the wheelbase by 135 mm, rear-seat passengers enjoy an extra 102 mm of leg room.<sup>(1)</sup>

**NAVIGATION SYSTEM.**<sup>(7)</sup> Debuting on the Jeep® Grand Cherokee the Uconnect® radio featuring GPS Navigation, a must-have navigation tool for all drivers.

**NOTABLE DETAILS.** Well within reach is Grand Cherokee's all-new finely crafted interior, made of premium soft-touch materials and leathers. The instrument panel and centre console feature detailed French stitching for an upscale design.

**ADAPTIVE CRUISE CONTROL.**<sup>(8)</sup> The evolution of automotive safety and convenience technology continues with Grand Cherokee's new available Adaptive Cruise Control (ACC). When activated during highway cruising, the system constantly monitors the amount of space between your vehicle and those ahead, maintaining a preset distance between you. If traffic slows ahead or another vehicle moves in front of you, ACC slows the vehicle by coasting or engaging the brakes. Conversely, when the vehicle ahead speeds up or moves into another lane, the system accelerates to the preset speed. While no system can operate as quickly as a human, ACC is not affected by weather conditions and can be helpful during inclement weather, such as fog and rain, when visibility is reduced.

**ALPINE® SURROUND SOUND SYSTEM.** Step into your own personal sound stage for a realistic concert experience. Alpine's available premium audio system utilises a high-powered 12-channel, 506 Watt amplifier powering nine speakers and a subwoofer optimally placed throughout the cabin. Two 25 mm silk dome tweeters bookend a 3.5 inch centre-channel speaker at the front of your cabin. Two 6 x 9 inch premium cone speakers are within the front doors and two 6.5 inch premium speakers are within the rear doors, pushing sound towards the centre of the cabin. Two 2.5 inch imaging surround speakers and an 8 inch dual voice coil subwoofer send clean sound from behind.

**ALPINE**

Driving terra firma. Grand Cherokee's state-of-the-art safety and security systems keep you firmly grounded. Every kilometre travelled heightens the experience with relaxed confidence.

## Safety and Security Features

**ELECTRONIC STABILITY CONTROL (ESC).**<sup>(6)</sup> A vehicle-wide network of safety sensors provide instant aid when they detect that you're veering off your intended path. ESC immediately goes into action when needed.

**SMARTBEAM™ HEADLAMPS WITH AUTO-LEVELLING.**

Brighter, better, safer. Bi-Xenon High-Intensity Discharge (HID) headlamps shine up to three times brighter than regular headlamps. A new auto-levelling feature keeps lamps focused down at the road ahead.

**A SAFE, SECURE AIR BAG SYSTEM.**<sup>(1)</sup> Always standard: full-length side-curtain, seat-mounted side thorax and advanced multi-stage front air bags all work in tandem to help provide protection.

**RAIN-SENSING WIPERS AND RAIN BRAKE SUPPORT.**

Storm clouds hold little influence over your daily drive. Front wipers activate when raindrops are detected and a new smart brake system helps dry the brake rotors on wet roads.

**PARKVIEW® and PARKSENSE® PARK ASSIST SYSTEMS.**<sup>(3)</sup>

Back out with grace. These systems help bring previously hidden rear objects to your attention, either on-screen or with an audible warning, in good time to react.

**ADAPTIVE CRUISE CONTROL (ACC).**<sup>(6)</sup> <sup>(Optional)</sup> The all-new ACC automatically adjusts cruising speed to maintain a preset distance between your Grand Cherokee and the crowd ahead.

**BLIND SPOT MONITORING<sup>(4)</sup> AND REAR CROSS-PATH DETECTION SYSTEM.** <sup>(Optional)</sup> These new sentry systems constantly monitor the personal space between you and other drivers. When a side or rear blind spot is encroached, you're notified via illuminated icons on side-view mirrors or an audible chime.

**ACTIVE HEAD RESTRAINTS.**<sup>(11)</sup> A standard, simple and effective safety feature that can help prevent neck injuries. Restraints automatically react and adjust to help provide protection during rear-impact collisions.

**FORWARD COLLISION WARNING (FCW).**<sup>(6)</sup> <sup>(Optional)</sup> Even the most attentive drivers will appreciate the help of this new warning system. Approach another vehicle too rapidly and Grand Cherokee lets you know so you can take appropriate action.

**ELECTRONIC ROLL MITIGATION (ERM).**<sup>(6)</sup> If things get rough, Grand Cherokee's ERM takes immediate action to help you maintain stability and remain under control.

**TRAILER SWAY CONTROL (TSC).**<sup>(6)</sup> Crosswinds and traffic hold no sway over you and your payload. As part of ESC, TSC helps keep you, and the toys you are towing, safely on course and under control.

**HILL DESCENT CONTROL (HDC) and HILL START ASSIST (HSA).** These systems are always at your beck and call when you need to get safely around the corner or up and down the mountain.

**ANTILOCK BRAKE SYSTEM (ABS).** The benefits of ABS on slippery, wet roads are widely known. This advanced system knows when you're driving over rough terrain and adjusts accordingly to help keep you in optimum control.

**SENTRY KEY® ENGINE IMMOBILISER.** A unique, embedded key code matched only to your vehicle helps keep your Grand Cherokee safely where it belongs.

(1) The advanced front air bags in this vehicle are certified to the new U.S. federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front airbag. All occupants should always wear their lap and shoulder belts properly. (2) Always check entire surroundings before backing up. (3) Always check visually for vehicles prior to changing lanes. (4) Always check entire surrounding visually before backing up. (5) ACC is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use brakes to avoid collisions. (6) No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. (7) Navigation system. (8) FCW system is solely an alert system for the front of the vehicle which does not take any actions to change vehicle dynamics to avoid a collision and is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use brakes to avoid collisions. (9) Do not attempt water fording unless depth known to be less than 500 mm. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (10) Phone must support Bluetooth Phone Book Access Profile (PBAP). (11) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. (12) When equipped with available Trailer Tow Group. (13) This depends on size and quality of songs.

Jeep

A silver Jeep SUV is shown from a rear three-quarter view, driving away on a dirt road that winds through a dense forest. The trees are tall and thin, with sunlight filtering through the canopy, creating a dappled light effect. The ground is covered with ferns and other forest floor vegetation.

Make every moment Grand.
