

Jeep
GRAND CHEROKEE

2013

THE MOST AWARDED SUV EVER,⁽¹⁾ GRAND CHEROKEE DISPLAYS TIMELESS DESIGN AND LEGENDARY CAPABILITY INFUSED WITH MODERN TECHNOLOGY AND PREMIUM AMENITIES. THE RESULT IS AN ULTIMATE BLEND OF ON-ROAD CIVILITY AND OFF-ROAD CAPABILITY, FROM THE WELL-APPOINTED LAREDO TO CANADA'S MOST POWERFUL SUV,⁽²⁾ SRT.[®] NOW IS THE TIME TO THRILL YOUR ADVENTUROUS SPIRIT.

IT'S A 4x4 WORLD OUT THERE

Confidence to Go Anywhere, Do Anything™ is born and bred in every Jeep® brand transfer case. Jeep Trail Rated® 4x4s perform to rigorous standards in five categories: Articulation, Manoeuvrability, Traction, Ground Clearance, and Water Fording.⁽³⁾ Keep moving forward, no matter what lies ahead.

CHOOSE YOUR 4x4 SYSTEM

QUADRA-DRIVE II™ puts class-leading⁽⁴⁾ capability in your control, to get you through virtually any driving situation. An Electronic Limited-Slip Differential can transfer up to 100 percent of torque to the wheel(s) with the most traction.

QUADRA-TRAC II™ offers all-speed traction control to help keep you on course. If wheel slippage occurs, up to 100 percent of the available torque can be routed to the axle with the most traction. Low range provides rock-crawling prowess.

QUADRA-TRAC I™ is fully automatic — no driver interaction is required. A single-speed transfer case offers a continual balance of torque distribution; if wheel slippage occurs, the system seamlessly transfers torque to the axle with the most traction.

SELEC-TERRAIN™

Optimal on- and off-road traction is instantly at hand. Five selectable settings electronically coordinate 12 different vehicle management systems to adjust your traction control to match the road ahead. Whether you're caught in snow-covered city streets or climbing back country hills, you'll have the confidence to bravely meet all challenges with this class-leading⁽⁴⁾ system. Available.

QUADRA-LIFT™

This class-exclusive⁽⁴⁾ system delivers Best-in-Class⁽⁴⁾ ground clearance as well as ultimate control of your suspension. The 104 mm lift span allows you to easily raise your vehicle for a maximum clearance of 272 mm above ridges and rocks, or lower it for easier entry, exit, and loading. When adjusting the ride height while driving (for maximum aerodynamics), the system raises the vehicle from back to front to help keep headlights safely focused downward at the road ahead. Available.

IMPECCABLE ROAD MANNERS

WHEN THEY ASK ABOUT GRAND CHEROKEE'S SMOOTH, REFINED RIDE, THE HUSHED, ACOUSTICALLY SOUND CABIN, THE CONTROLLED CORNERING, ANSWERS COME EASILY. THE ISOLATED CRADLES OF THE INDEPENDENT FRONT AND REAR SUSPENSION HELP PROVIDE ADDED CUSHIONING THAT IS LIKELY TO RECALL RIDES TAKEN IN THE PRICIEST LUXURY SEDANS. THE DOUBLE-DASH CONSTRUCTION AND PREMIUM INSULATION HELP STOP ROAD NOISE IN ITS TRACKS. THE EXACTING FIT AND FINISH MANUFACTURING METHODS ARE DESIGNED TO CREATE NEAR-PERFECT ASSEMBLIES. IT ALL ADDS UP TO AN ON-ROAD EXPERIENCE THAT WILL MAKE EVERY TRIP MEMORABLE.

3.6L PENTASTAR™ VVT V6

Best-in-Class Driving Range⁽⁵⁾

Named one of *Ward's* "10 Best Engines" for 2012. The Pentastar cranks out enough power to tow up to 2269 kg (5000 lb)⁽⁶⁾ and the efficiency to achieve a Best-in-Class driving range.⁽⁵⁾ Dual overhead camshafts, Variable Valve Timing, and structural refinements allow it to achieve an unsurpassed 4x4 V6 highway fuel economy of up to 8.8 L/100 km (32 mpg)*. Standard.

5.7L VVT V8 WITH MDS

Best-in-Class⁽⁴⁾ Horsepower, Torque, and Towing⁽⁶⁾

This workhorse churns out Best-in-Class horsepower and torque, and is strong enough to tow a Best-in-Class 3266 kg (7200 lb).⁽⁶⁾ FuelSaver Multi-Displacement System Technology revamps this eight-cylinder, 360 hp brute into a four-cylinder model of efficiency when at cruising speeds. Yet, when you step on the gas pedal, all eight cylinders are seamlessly at your disposal. Available.

SMART. STRONG.

ENGINEERED TO DELIVER THE CAPABILITY YOU EXPECT FROM A JEEP® BRAND VEHICLE, AND COMES PACKAGED WITH EFFICIENCIES THAT HELP PUT MORE KILOMETRES BETWEEN FILL-UPS.

6.4L HEMI® V8 ENGINE WITH MDS

Grand Cherokee SRT® is Canada's Most Powerful SUV⁽²⁾

The 6.4L HEMI V8 with FuelSaver Multi-Displacement System Technology delivers 470 hp and 465 lb-ft of torque, running from zero to 100 km/h in less than five seconds,⁽⁷⁾ with a top racetrack speed of 257 km/h.⁽⁷⁾ An active intake manifold and high-lift camshaft with cam phasing deliver maximum low-end torque while optimizing high-end power across a wider rpm band. Available.

*See page 19 for full details.

360° GUARDIAN

PEACE OF MIND TAKES YOU AND YOURS FAR. JEEP® GRAND CHEROKEE IS ENGINEERED TO PERFORM HEROICALLY IN ALL DRIVING CONDITIONS. YOU'LL FEEL THE STRENGTH OF ITS REINFORCED STRUCTURE, SHELTERED WITHIN AN ENVIRONMENT THAT OFFERS 50 SAFETY AND SECURITY FEATURES. GO BOLDLY FORTH, EMPOWERED WITH CONFIDENCE, KNOWING THAT THE 2012 JEEP GRAND CHEROKEE WAS A TOP SAFETY PICK OF THE INSURANCE INSTITUTE FOR HIGHWAY SAFETY.

ELECTRONIC STABILITY CONTROL (ESC)⁽⁶⁾

A vehicle-wide network of safety sensors provides instant aid when it detects that you're veering off your intended path. ESC immediately goes into action by applying the brakes and reducing the throttle when needed. Standard.

READY ALERT BRAKING. Works in harmony with ESC to anticipate emergency braking situations, reducing the time required for full brake application. Standard.

HILL DESCENT CONTROL. Provides downhill assistance at a safe and controlled rate of speed without requiring the driver to touch the brakes. Available.

HILL START ASSIST. Delays vehicle roll when starting on an uphill or downhill gradient. It holds the vehicle stationary for two seconds after the driver's foot is removed from the brake pedal, allowing time to apply the throttle. Standard.

ELECTRONIC ROLL MITIGATION (ERM).

If things get rough, ERM takes immediate action to help you maintain stability and remain under control. Standard.

TRAILER SWAY CONTROL (TSC). Crosswinds and traffic hold no sway over you and your payload. As part of ESC,⁽⁶⁾ TSC helps keep you, and the toys you are towing, safely on course and under control. TSC can recognize a swaying trailer and will automatically apply any individual wheel's brakes and/or reduce engine power in an attempt to eliminate the trailer sway. TSC applies brake pressure on all four wheels to slow the vehicle, while increasing pressure on one front wheel to counteract the sway. Standard.

ENHANCED ACCIDENT RESPONSE SYSTEM (EARS).

Should air bags deploy, EARS switches on the interior and hazard lamps, unlocks the doors, and shuts off the fuel supply after the vehicle has stopped. Standard.

ANTILOCK BRAKE SYSTEM (ABS). The benefits of ABS shine on slippery, wet roads. This advanced system knows when you're driving over rough terrain and adjusts accordingly to help keep you in optimum control. Standard.

ADAPTIVE CRUISE CONTROL (ACC).⁽⁹⁾ Engage this system and it will automatically adjust cruising speed to maintain a preset distance between your Grand Cherokee and the crowd ahead.

FORWARD COLLISION WARNING (FCW).⁽⁹⁾ Even the most attentive drivers will appreciate the help of this warning system. Approach another vehicle too rapidly and Grand Cherokee lets you know so you can take appropriate action. Included with ACC.

BLIND-SPOT MONITORING⁽¹⁰⁾ AND REAR CROSS-PATH DETECTION SYSTEM.⁽¹¹⁾ This technology has dual radar sensors that constantly monitor driver blind spots, providing notification of an encroaching vehicle via illuminated icons on sideview mirrors and by an audible chime if the turn signal is activated. When in Reverse, rear sensors warn the driver with an audible chime if cross traffic approaches the vehicle. Available.

PARKVIEW[®] REAR BACK-UP CAMERA⁽¹²⁾ WITH PARK-SENSE[®] REAR PARK ASSIST.⁽¹³⁾ These systems help bring rear objects to your attention, on-screen and with an audible warning. Available.

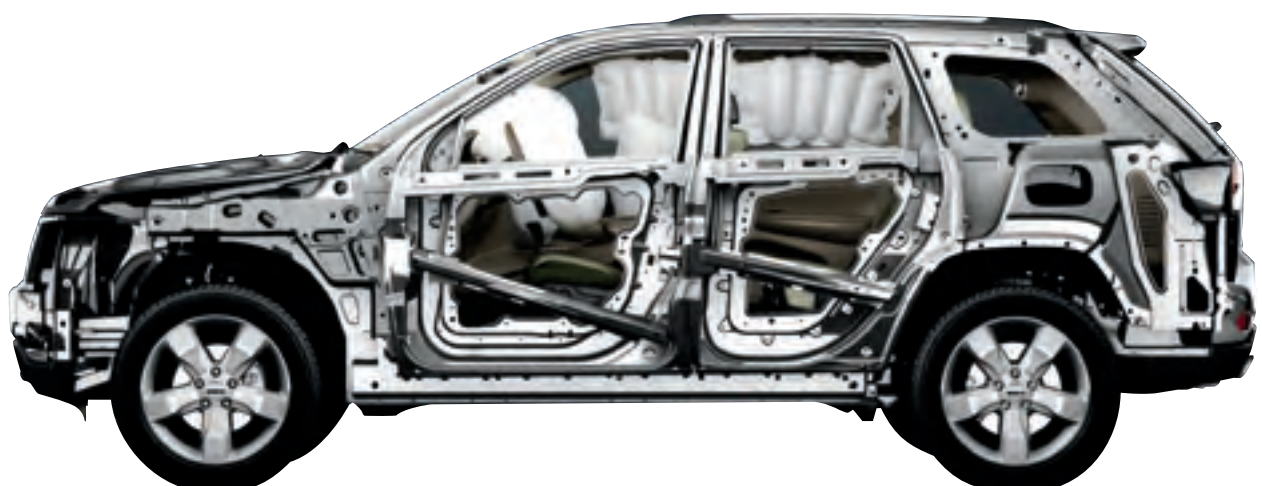

REACTIVE FRONT HEAD RESTRAINTS.⁽¹²⁾ An effective safety feature that can help stave off neck injuries. In the event of a rear-end collision, the restraint moves forward and upward, decreasing the space between the head restraint and the occupant's head, reducing the chance of injury. Standard.

SMARTBEAM[™] HEADLAMPS WITH AUTO-LEVELLING. Bi-Xenon High Intensity Discharge headlamps shine up to three times brighter than regular headlamps. SmartBeam automatically toggles between high- and low-beam to help make nighttime driving safer by providing the maximum amount of light. An auto-levelling feature keeps lamps focused down at the road ahead. Available.

AIR BAGS.⁽¹³⁾ Full-length side-curtain, front-seat side, and advanced multistage front air bags all work in tandem to help provide protection for all occupants. Standard.

SENTRY KEY[®] ANTITHEFT ENGINE IMMOBILIZER. A unique, embedded key code matched only to your vehicle helps keep your Grand Cherokee safely where it belongs. Standard.

RAIN-SENSING WINDSHIELD WIPERS AND RAIN BRAKE SUPPORT. Front wipers activate when raindrops are detected on the windshield. The smart brake system helps dry the brake rotors on wet roads to ensure the shortest stopping distance when windshield wipers are activated. Rain Brake. Standard. Rain-sensing wipers. Available.

OVERLAND® TRAVELS WELL AS THE MOST LUXURIOUS VEHICLE IN ITS CLASS.⁽⁴⁾ ITS SUPREME INTERIOR CRAFTSMANSHIP FEATURES A LONG LIST OF REFINED AMENITIES. ULTIMATE CAPABILITY IS ACHIEVED WITH AN AVAILABLE SIX-SPEED AUTOMATIC TRANSMISSION THAT'S PAIRED WITH THE LEGENDARY AND EFFICIENT 5.7L VVT V8 ENGINE WITH FUELSAVER MULTI-DISPLACEMENT SYSTEM (MDS) TECHNOLOGY. THIS COMBINATION GIVES YOU THE POWER TO TOW UP TO A BEST-IN-CLASS 3266 KG (7200 LB).⁽⁶⁾ THE CLASS-EXCLUSIVE⁽⁴⁾ QUADRA-LIFT™ AIR SUSPENSION SYSTEM GIVES YOU EXCEPTIONAL CONTROL OVER YOUR DRIVING EXPERIENCE.

LEATHER-WRAPPED GLORY. A heated and ventilated eight-way power driver's seat with power lumbar control is standard, and soft-touch materials throughout leave no room for compromise on this authentic legend.

DETAILED DIFFERENCE. Richly appointed interior treatments include chrome details, real wood trim, Nappa leather-faced seating with edge welting, a heated, leather-wrapped, power tilt/telescopic steering wheel, and a leather-wrapped and stitched instrument panel and centre console.

COMMANDVIEW® DUAL-PANE SUNROOF. With the standard panoramic sunroof, your view is always all-encompassing. By adding this dual-paned sliding-glass ceiling, your travels continue in brilliant high definition. Everyday adventures are wide-screen worthy.

A SYSTEMIZED, REVOLUTIONARY RIDE. The Quadra-Lift Air Suspension System gives you ultimate control of your suspension system, along with a serious lift in performance and capability.

LIMITED

Trail Rated® 4x4 power is yours for the taking. Whether your preference is the richly appointed Limited with the efficient 3.6L Pentastar™ V6 engine with VVT or the ultimate 5.7L VVT V8 engine, you're capably covered with the standard 4WD Quadra-Trac II™ system. The standard class-leading⁽⁴⁾ Selec-Terrain™ vehicle management system helps to gain passage, whether you choose to travel on roads covered with snow, mud, sand, or rocks.

LAREDO

Laredo's all-weather 3.6L Pentastar VVT V6 engine and Quadra-Trac I™ 4WD system deliver unsurpassed⁽⁴⁾ 4x4 highway fuel efficiency of up to 8.8 L/100 km (32 mpg)*. It takes to the road with the hushed ride of a stealth machine, thanks in part to double-dash construction and surrounding acoustic glass. Standard interior amenities abound, placing all the finery Grand Cherokee is known for at your fingertips. You'll enjoy everyday access including Keyless Enter 'n Go™ with proximity entry, power 12-way driver's seat, Dual-Zone Temperature Control with air filter, LED interior lighting, and Tire Pressure Monitoring.

*See page 19 for full details.

INNOVATION

GRAND CHEROKEE IS INFUSED WITH TECHNOLOGICAL WONDERS THAT KEEP YOU IN TOUCH, IN TUNE, AND UNINTERRUPTED AS YOU COMFORTABLY CRUISE. YOU ARE INVITED TO TRAVEL THE WORLD WITHIN A MASTERPIECE, ENJOYING IT ALL FROM GRAND CHEROKEE'S ULTIMATELY GRAND POINT OF VIEW.

SRT

THIS POWERFUL MACHINE TURNS HEADS AS QUICKLY AS IT TURNS CORNERS. ITS AGGRESSIVE PROFILE RESEMBLES A HIGH-PERFORMANCE SPORTS CAR WITH ITS FRONT FASCIA INTAKES, LED DAYTIME RUNNING LIGHTS, BODY-COLOUR GRILLE WITH BLACK MESH/CHROME INSERTS, AND VENTED HOOD. BY NECESSITY, A REAR SPOILER HELPS GRAND CHEROKEE SRT® STICK TO THE ROAD WHEN ITS AWE-INSPIRING 470 HP/465 LB-FT POWERTRAIN TAKES OFF.

SHINY THINGS. There is nothing like it on the road today. Admirers will stop and stare at the split five-spoke 20-inch forged aluminum wheels that ride on Pirelli® P Zero run-flat tires. Red Brembo® brakes with six-piston front and four-piston rear calipers and chrome accents finish off its performance appearance.

VROOM ROOM. The cockpit has a leather-wrapped, heated steering wheel with a flat bottom, deeply bolstered leather-faced seats with perforated suede inserts, and real carbon-fibre accent trim. Steering wheel-mounted paddle shifters put all of the power in the palm of your hands. An awe-worthy dual-pane panoramic sunroof is an available addition.

THRILLING. When its intimidating 6.4L HEMI® V8 engine takes off, SRT is fueled by 470 hp and 465 lb-ft of torque, launching you from zero to 100 km/h in less than five seconds.⁽⁷⁾ The engine's FuelSaver Multi-Displacement System (MDS) Technology optimizes fuel efficiency when V8 power is not required, with no sacrifice in performance.

SELEC-TRACK™ SYSTEM. Now, discerning drivers have a choice between five different performance settings (track, sport, auto, snow, tow). Depending on the setting, the system adjusts stability control, damping, transmission shifts, torque proportioning, throttle response, and electronic limited-slip differential for optimal performance according to conditions.

WELL-CONNECTED

Uconnect™ acts as the central hub for your most important media, allowing you to stay connected, informed, entertained, and focused on driving. Voice Command⁽¹⁴⁾ allows you to use your voice to select AM/FM radio stations and SiriusXM™ Satellite Radio⁽¹⁵⁾ channels, as well as make/receive calls and select destination entries with the available navigation.⁽¹⁶⁾ You'll have multiple ways to access audio, including a USB port, iPod® control with Voice Command,⁽¹⁴⁾ Bluetooth® streaming audio, and SiriusXM Satellite Radio⁽¹⁵⁾ which features song/artist alerts, game alerts, favourites, and replay (with one-year service included). The available intuitive Garmin® navigation⁽¹⁶⁾ can locate nearby restaurants, shopping, hospitals, or points of local interest and provides easy-to-understand directions, including lane guidance. Top it all off with a system that is clever enough to synchronize with your phone's address book⁽¹⁷⁾ — up to 1000 entries — every time you get into your vehicle and you'll see how easy it is to keep in touch with the people, music, and devices that matter most.

MULTIMEDIA CENTRES

Uconnect 130

- CD/MP3/AM/FM
- Auxiliary input jack
- SiriusXM Satellite Radio⁽¹⁵⁾ with one-year subscription and Replay, Game Zone, Favourite Song/Artist Alert

Uconnect 430

Includes Uconnect 130 features, plus:

- 6.5-inch touch screen
- 28GB hard-disc drive
- DVD format capability
- USB port for uploading files

Uconnect 430N

Includes Uconnect 430 features, plus:

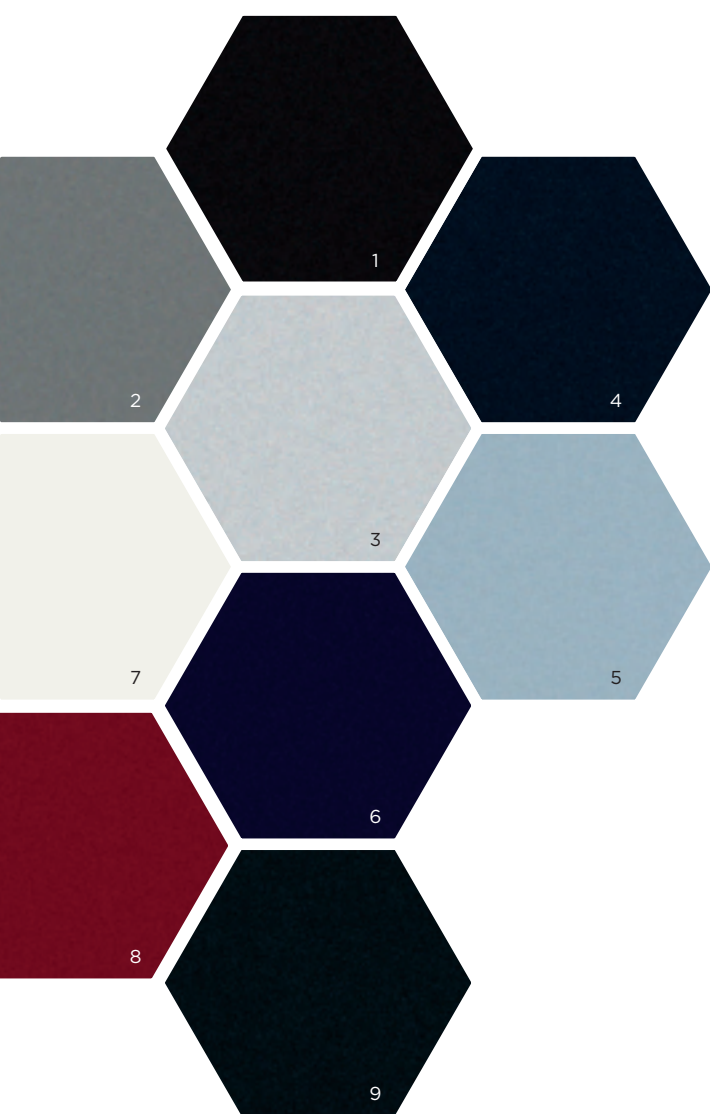

- Garmin GPS Navigation⁽¹⁶⁾

Uconnect 730N

Includes Uconnect 430N features, plus:

- Enhanced GPS Navigation⁽¹⁶⁾ with dead reckoning, split screen, and Voice Command
- 20GB hard-disc drive
- Bluetooth streaming audio
- iPod connectivity
- iPod/USB playback with radio controls

POWERTRAIN & PERFORMANCE

- 3.6L Pentastar™ VVT V6 with 5-speed automatic
- Electro-hydraulic power steering; rack and pinion
- Quadra-Trac I™ 4WD system
- 3.09 rear axle ratio
- 195 mm rear and front axle
- 160-amp alternator
- 700-amp maintenance-free battery
- Premium insulation with hood insulation

INTERIOR AMENITIES

- Premium cloth low-back bucket seats
- Power eight-way driver seat with four-way lumbar adjuster and height adjuster
- Rear 60/40 split/fold seat
- Front passenger forward-fold-flat seat
- Uconnect™ 130 with six speakers
- Auxiliary input jack for mobile devices
- SiriusXM™ Satellite Radio⁽¹⁵⁾ with one-year subscription
- Tilt/telescopic steering column
- Leather-wrapped steering wheel with cruise control
- Power windows, front one-touch up and down; power locks
- Dual-zone temperature control with air filtering
- 12-volt front and rear auxiliary power outlets
- Front and rear interior LED lamps
- Full-length floor console
- Overhead console
- Luxury front and rear floor mats with Jeep® logo

SAFETY & SECURITY

- Advanced multistage front air bags⁽¹³⁾
- Supplemental front- and rear-seat side air bags, side-curtain air bags
- Reactive front head restraints⁽¹²⁾
- Electronic Stability Control⁽⁸⁾ with Brake Assist, Traction Control, Ready Alert Braking, Trailer Sway Control, and Hill Start Assist
- Four-wheel antilock disc brakes with rain brake support
- Keyless Enter 'n Go™
- Sentry Key® anti-theft engine immobilizer
- Enhanced Accident Response System (EARS)
- Electronic Vehicle Information Centre with Tire Pressure Monitoring warning lamp
- Child seat anchor system (LATCH)
- Engine block heater

EXTERIOR FEATURES

- 17-inch aluminum wheels
- P245/70R17 BSW on- and off-road tires
- Power locking fuel filler door
- Power heated exterior mirrors, manual foldaway
- Body-colour exterior mirrors and door handles
- Bright grille and side roof rails
- Integrated liftgate rear spoiler
- Automatic headlamps
- Fog lamps
- Chrome headlamp bezels and bodyside moulding
- Deep-tint sunscreen glass

PACKAGE DETAILS

ALL-WEATHER CAPABILITY GROUP

- Mopar® cargo area liner
- Mopar slush mats
- Quadra-Trac II™ 4x4 system
- Selec-Terrain™ system
- Remote start system
- Tow hooks
- Hill Descent Control

MOPAR CHROME EDITION GROUP

- Chrome exterior mirrors
- Mopar chrome exhaust tips
- Mopar chrome tubular side steps
- Mopar front and rear door entry guards

SECURITY AND CONVENIENCE GROUP

- 115-volt auxiliary power outlet
- Cargo compartment cover
- Remote start system
- Remote USB port
- Auto-dimming rearview mirror with microphone
- Security alarm
- Universal garage door opener⁽¹⁸⁾
- Uconnect Hands-Free Communication with Bluetooth®⁽¹⁴⁾

TRAILER TOW GROUP

- 7- and 4-pin wiring harness
- Class IV receiver hitch
- Full-size spare tire
- Rear load-levelling suspension
- Steel spare wheel
- Delete rear tow hook

OFF-ROAD ADVENTURE GROUP I

- Front suspension skid plate
- Fuel tank skid plate
- Full-size spare tire
- Hill Descent Control
- P245/70R17 OWL with on-/off-road tires (3.6L)
- P265/60R18 OWL with on-/off-road tires (5.7L)
- Quadra-Trac II 4x4 system
- Selec-Terrain system
- Steel spare wheel
- Tow hooks
- Trail Rated® badge
- Transfer case skid plate
- Underbody skid plate

ADVANCED WARNING/ADAPTIVE CRUISE CONTROL⁽⁹⁾

- Adaptive Cruise Control⁽⁹⁾/ Forward Collision Warning⁽⁹⁾
- Auto-dimming exterior passenger mirror
- Blind-Spot Monitoring⁽¹⁰⁾/ Rear Cross-Path Detection⁽¹¹⁾

LUXURY GROUP II

- Adaptive Cruise Control⁽⁹⁾/ Forward Collision Warning⁽⁹⁾
- Blind-Spot Monitoring⁽¹⁰⁾/ Rear Cross-Path Detection⁽¹¹⁾

TRAILER TOW GROUP IV

- 220-amp alternator
- 7- and 4-pin wiring harness
- Class IV receiver hitch
- Delete rear tow hook
- Full-size spare tire
- Heavy-duty engine cooling
- Rear load-levelling suspension
- Steel spare wheel

SRT HIGH-PERFORMANCE AUDIO

- 19-speaker SRT high-performance audio
- 825-watt amplifier

5.7L VVT V8 WITH FUELSAVER MDS TECHNOLOGY

- 220-amp alternator (Overland®)
- 230 mm rear axle ratio
- Four-wheel antilock disc HD brakes (Limited, Overland)
- Dual bright exhaust tips
- Electronic limited-slip differential
- Heavy-duty engine cooling
- Hill Descent Control
- Quadra-Drive II™ 4x4 system (Overland) or Quadra-Trac II 4x4 system (Laredo X)
- Selec-Terrain system
- Trailer Tow Group IV (Overland)
- Trail Rated badge

REAR DVD ENTERTAINMENT CENTRE

- Power sunroof
- Rear overhead console
- Rear seat video system

AUTHENTIC JEEP® ACCESSORIES

CHOOSE MOPAR® FOR QUALITY PARTS AND ACCESSORIES MADE TO CUSTOM FIT YOUR GRAND CHEROKEE. SERVICE CONTRACTS. Chrysler Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Chrysler Canada Service Contracts offer extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge, and Ram Retailer, call (800) 465-2001, or visit chryslercanada.ca/owners.

WARRANTIES. 2013 Chrysler, Jeep, Dodge, and Ram vehicles are backed by a 5-year or 100,000-kilometre* fully transferable Powertrain Limited Warranty with \$0 deductible plus 24-hour roadside assistance.† SRT vehicles are backed by a 3-year or 60,000-kilometre* fully transferable Powertrain Limited Warranty with \$0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres.* Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres.*

*Whichever comes first. Some conditions may apply. †The 5-year/100,000-kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

DISCLAIMERS. 1) Based on awards received in the car industry for the SUV segment between 1974 and 2011. 2) Based on *Ward's* SUV segmentation and naturally aspirated engines. 3) Do not attempt water fording unless depth known to be less than 51 cm (20 inches). Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. 4) Based on 2012 *Ward's* Middle Sport/Utility segmentation. 5) Driving range based on 2013 EnerGuide highway fuel consumption ratings and fuel tank capacity. Your actual driving range will vary based on driving habits and other factors. Based on 2012 *Ward's* Middle Sport Utility segmentation. 6) When properly equipped. Based on 2012 *Ward's* Middle Sport Utility segmentation. 7) Drive responsibly. Always obey the rules of the road. 8) No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice, and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 9) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to use brakes to avoid collisions. 10) Always check visually for vehicles prior to changing lanes. 11) Always check entire surroundings before manoeuvring your vehicle. 12) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 13) The advanced front air bags in this vehicle are certified to the federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 14) Must be a Bluetooth-compatible phone. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands when it is safe to do so. 15) Requires SiriusXM™ Radio subscriptions governed by SIRIUS terms and conditions available at siriuscanada.ca. 16) Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. 17) Phone must support Bluetooth Phone Book Access Profile (PBAP). 18) Not compatible with all garage door openers.
