### Hitches & Towing - Integrated Trailer Brake Module

Integrated Trailer Brake Control Module allows driver to automatically or manually activate the electronic brakes on properly equipped trailers for greater stopping power on downhill grades. The controller and status display are mounted in the dashboard to the left of the steering wheel, and the included control lever can activate the trailer brakes independent of the truck's brakes. Drivers can customize the amount of brake force the trailer uses, depending on load requirements.

Before ordering the Mopar Integrated Trailer Brake Module (ITBM) kit, it is necessary to check if the vehicle has both trailer brake module connectors. These connectors are located under left side of the steering column. Both connectors are 4 pin connectors. If both connectors are not present the ITBM kit cannot be added to the vehicle.

Except as noted below, over-the-counter or wholesale Mopar® parts are warranted against defects in workmanship or materials for 12-months/unlimited miles for parts exchange only. Mopar parts installed by an authorized Chrysler Group LLC dealership or FIAT® studio are warranted for 12-months/12,000-miles for both parts and labor, or for 12-months/unlimited miles for parts exchange only, whichever is more favorable to the customer.

Mopar parts replaced on a Chrysler Group LLC vehicle still covered by the Chrysler New Vehicle Basic Limited Warranty are warranted for the remainder of the New Vehicle Basic 3-Year/36,000-Mile Limited Warranty, or for the Mopar Basic 12-Month Limited Warranty from the original installation date, whichever is more favorable to the customer.

The Mopar Basic Limited Warranty covers the cost of towing a vehicle to the nearest authorized Chrysler Group LLC dealership if the failure of a covered part causes the vehicle to be inoperative.

If a Mopar part is installed in a Chrysler Group vehicle by an authorized Chrysler Group dealer, and if, while that part is still under warranty, it causes other parts to be damaged or to fail, those other parts will be repaired or replaced under warranty, regardless of whether the other parts were covered by a Chrysler warranty at the time of failure.

These warranties are the only express warranties made by Chrysler for Mopar Parts and Accessories. Except where prohibited by law, this warranty is the sole and exclusive remedy. No person, including a dealer or employee of Chrysler Group LLC, or its affiliated corporations has the authority to vary or change these warranties.

Mopar parts sold with a separate manufacturer's warranty are not eligible for the Mopar warranty. Warranty information on these parts is provided with the part or in its packaging. Examples include: Garmin Navigation, TomTom Navigation, Katzkin® Leather, Koss Headphones, Truck Bed Liners and Master Shield® Rust, Paint Sealant and Fabric Protection.

## MOPAR PERFORMANCE PARTS LIMITED WARRANTY

### NOTICE

Federal and many state laws prohibit the removal, modification or rendering inoperative of any part or element of design affecting emissions or safety on motor vehicles used for transporting persons or property on a public street or highway. Violation may result in a fine of up to \$27,500 per vehicle. Mechanical and/or electronic performance parts listed in this catalog cannot be used on vehicles used on public streets or highways. These parts may be used only on vehicles used solely in sanctioned off-highway events. No other applications are intended or implied. Those parts that have been granted an exemption by the California Air Resources Board (CARB) or meet the EP requirements of memorandum 1A are legal for highway use in California, New York and Massachusetts and are noted as such.

### NO PARTS WARRANTY – “AS IS”

Mopar Performance parts are sold “as is” unless otherwise noted. This means that parts sold by Mopar Performance carry no warranty whatsoever. Implied warranties, such as warranties of merchantability, are excluded. (An implied warranty of merchantability means that the part is reasonably fit for the general purpose for which it was sold.) The entire risk as to quality and performance of such parts is with the buyer. Should such parts prove defective following their purchase, the buyer and not the manufacturer, distributor or retailer, assumes the entire cost of all necessary servicing or repair. Chrysler, Jeep®, Dodge and Ram vehicle and parts warranties are voided if the vehicle or parts are used for competition. The addition of performance parts does not by itself void a vehicle's warranty. However, added performance parts (parts not originally supplied on the vehicle from the factory) are not covered by the vehicle's warranty, and any failure that they may cause is not covered by the vehicle's warranty.

### EMISSIONS STATEMENT

Federal law requires emissions parts on new vehicles to be warranted for at least two years or 24,000 miles, whichever comes first. Federal and many state laws also prohibit the removal, modification or rendering inoperative any part that affects emissions or safety on motor vehicles used on public streets or highways.

Many Mopar Performance parts are designated for track use or off-road use only. Installation of certain components may bring the vehicle out of compliance

---

with safety and/or emissions standards. Mopar recommends that vehicles with parts designated in this fashion not be operated on public roads. Mopar Performance customers are responsible for complying with applicable state and local environmental regulations.

Additionally, certain performance parts may affect the emissions characteristics of the vehicle. If you install them on the vehicle, and your vehicle consequently fails a required state or local I/M (inspection and maintenance) emissions test, including any test required to maintain or renew your vehicle's registration, or if your vehicle is subject to an emissions recall, Chrysler Group LLC may not be required to repair your vehicle under the emissions performance warranty, and you may be required to remove those parts at your own expense in order to obtain repairs necessary to pass the I/M test or to perform the recall.

## NOTE – CALIFORNIA ONLY

The emissions laws and regulations of the state of California apply to all non-racing vehicles operated in California. Consequently, those parts marked in this catalog with an asterisk and appropriately marked on their packaging may legally be used in California only on a racing vehicle that will never be operated on public roads.

## ADDITIONAL PERFORMANCE INFORMATION

Mopar Performance Crate Engine Assemblies – Crate engine assemblies are warranted for “parts only” “as delivered” against defects in materials or workmanship for 90 days from the date of purchase. The following covered components for Performance Engine Assemblies, which prove to be defective in materials or workmanship, will be replaced on an exchange basis for 90 days: cylinder blocks and all internal parts; cylinder head assemblies; intake manifold; core plugs; valve covers; oil pan; timing gear and/or chain and cover; water pump; gasket and seals.
