Hitches & Towing - Integrated Trailer Brake Module

Integrated Trailer Brake Control Module allows driver to automatically or manually activate the electronic brakes on properly equipped trailers for greater stopping power on downhill grades. The controller and status display are mounted in the dashboard to the left of the steering wheel, and the included control lever can activate the trailer brakes independent of the truck's brakes. Drivers can customize the amount of brake force the trailer uses, depending on load requirements.

Before ordering the Mopar Integrated Trailer Brake Module (ITBM) kit, it is necessary to check if the vehicle has both trailer brake module connectors. These connectors are located under left side of the steering column. Both connectors are 4 pin connectors. If both connectors are not present the ITBM kit cannot be added to the vehicle.

Covers - Vehicle Cover, Full

Vehicle Cover helps protect your vehicle's finish from UV rays, dirt and other airborne pollutants. Made of premium material (Evolution®, Weathershield® or Matrix®) that is washable, heavy weight, breathable and water resistant. Custom contoured, these covers feature double-stitched seams and elasticized bottom edges at the front and rear. Clear rear license plate window, tie-down grommets and mirror pockets are standard.

Evolution, Weathershield and Matrix are registered trademarks of Kimberly-Clark Corporation.

Hitches & Towing - Integrated Trailer Brake Module

Integrated Trailer Brake Control Module allows driver to automatically or manually activate the electronic brakes on properly equipped trailers for greater stopping power on downhill grades. The controller and status display are mounted in the dashboard to the left of the steering wheel, and the included control lever can activate the trailer brakes independent of the truck's brakes. Drivers can customize the amount of brake force the trailer uses, depending on load requirements.

Before ordering the Mopar Integrated Trailer Brake Module (ITBM) kit, it is necessary to check if the vehicle has both trailer brake module connectors. These connectors are located under left side of the steering column. Both connectors are 4 pin connectors. If both connectors are not present the ITBM kit cannot be added to the vehicle.

Bed Protection - Spray-On Bedliner Conditioner and Small Repair Kit

Proper care and cleaning of Spray-On Bedliners is periodically required. During ownership, the shine and luster of the Spray-On Bedliner can fade from oxidation, road dirt, heavy-duty hauling and hard water stains. Weathering and UV exposure will lead to fading and loss of gloss over time. To help keep your customer's bedliner looking and performing well, rinse all loose dirt from truck bed and clean with Mopar Spray-On Bedliner Conditioner at least twice a year. For small Spray-On Bedliner repairs, a 200 ml Dual Cartridge of the Spray-On Bedliner material is available. Small Repair Kit also includes mixing tip and a small textured pad.

Bed Protection - Bed Rug

Bed Rugs are manufactured with a plastic foam backing that conforms exactly to floor ribs and will not scratch truck beds. The solid plastic polymer surface is stain resistant from fluid, oil, gas and grease. Acids, solvents, chemical compounds and petroleum products will not damage the carpet-like exterior plastic fiber surface or foam bottom. Bed Rug floor, walls, tailgate and headwall are heat and pressure molded specifically to fit your vehicle.

Tonneau Covers - Hard - Folding Cover

This Hard Folding Tonneau Cover is lightweight and made with a durable aluminum frame. The structural foam panels are rust and corrosion resistant. Opening and stacking the hinged cover from the rear is a simple two-step process that takes just seconds. The front panel also opens for easy access to cargo stored in the front of the bed. Sturdy, flush-mount locks (front and rear) secure both tailgate and cover.

Before returning in warranty the Hard Folding Tonneau Covers (82211297AB, 82211298 or 82211299), please call supplier at 1-800-322-0522 or in Canada 616-656-6886, for service replacement parts and technical support.

CARRIERS & CARGO HAULING ACCESSORIES

Hitches & Towing - Integrated Trailer Brake Module

Integrated Trailer Brake Control Module allows driver to automatically or manually activate the electronic brakes on properly equipped trailers for greater stopping power on downhill grades. The controller and status display are mounted in the dashboard to the left of the steering wheel, and the included control lever can activate the trailer brakes independent of the truck's brakes. Drivers can customize the amount of brake force the trailer uses, depending on load requirements.

Before ordering the Mopar Integrated Trailer Brake Module (ITBM) kit, it is necessary to check if the vehicle has both trailer brake module connectors. These connectors are located under left side of the steering column. Both connectors are 4 pin connectors. If both connectors are not present the ITBM kit cannot be added to the vehicle.

Racks & Carriers - Bicycle Carrier, Hitch-Mount - Thule

In partnership with Mopar, Thule, the leading US manufacturer of car rack systems, offers hitch-mount bike carriers. This hitch mount carrier sets the standard for performance and ease of use. The improved swingaway design allows for rapid rear vehicle access. The Stinger-Swinger hitch converts quickly from 2" to 1-1/4" out of the box and the Hitch-Switch quick release lever allows for fast storage of bike carrier arms. The T3 cradles lock down bikes and cradles while still allowing complete adjustment along bike arm and the No Sway Cage prevents bike-to-bike contact.

Bumpers - Off-Road Bumper

Steel high clearance bumpers are tough and heavily gusseted for strength and tough looks. The front bumper is designed to meet all FCA US occupant protection requirements and is compatible with your vehicle's airbag system. The front bumper features a tubular grille guard, "Jeep" badge, and is also available with integrated Winch mount and production Fog Lamp mounting provisions. It is wide enough to provide fender protection but is narrower than the stock bumper. Uses the production tow hooks. The Winch is mounted low for protection, and does not restrict engine cooling. The rear bumper is styled to match the front, features tow eyes, and works with the production hitch receiver. The textured Black finish is E-coated and powder coated to meet the industry's toughest corrosion requirements. Functional and Strong, these bumpers are just the ticket for your off road customers!

These products are designed to enhance the appearance of the vehicle; they are not intended to prevent injury or damage in the event of an accident and are not intended to be used as a tie-down device.

Covers - Vehicle Cover, Cab

Weather-resistant high quality nylon cap in Black or Silver fits snugly over your Wrangler's hard or soft top. Silver color is a sun reflective material that reduces interior temperatures and sun fading. Great for sunny climates. Also will fit with top off to help keep interior clean and dry. Elastic loops attach around taillights and mirrors, and includes two integrated cords that attach to the Jeep to secure the cover under the door area. Folds into a small snap closure storage bag that is included.

Tops - Hard Top, Headliners

By adding a thick insulating layer to the inside of your hardtop, you can keep interior temperatures down in the summer and up in the winter. Vehicle testing proved it helps improve both cool down and warm up time. This headliner helps to deaden noise and gives a clean, finished look. Vehicle testing proved a 10% improvement in noise absorption due to rain, road, wind and powertrain sources. Features bound and finished edges. Easy to install and made from our very durable material. Will not mold, mildew or rot.

Wheels - Wheel, 20 Inch

All 20 inch Mopar wheels are Chrome Plated, Polished, or a combination of polished and painted. Every wheel is treated with a durable clear coat to resist corrosion. Each wheel is constructed of either cast or forged aluminum. Like all Mopar wheels, these wheels are tested to rigid FCA US standards. Wheels are sold individually with a center cap if required.

Price shown per wheel Check state and local restrictions on installation and use.

Suspension - Differential Cover - Heavy Duty

Mopar's extreme heavy duty Differential Covers offer upgraded protection for your axle's differential. Made from nodular castings, these covers provide increased strength and protect your differential from severe impacts such as rocks and off road obstacles. They also greatly enhance the rugged look of your axles. Each cover comes with exclusive "Jeep" badging.

Suspension - Lift Kits - JK (4WD)

Short Arm Lift Kits: 2" and 4" These Mopar lifts offer exceptional ride comfort and control, on-road or off. Both lift heights use the same basic components, except for coil springs, and yield all the suspension travel the factory JK driveline offers. Coil spring rate is wheelbase-specific (2 or 4-door), plus two Mopar shock absorber options allow you to tailor the kit to your performance aspirations. Both kits also include a replacement high-clearance, high capacity hydraulic steering stabilizer kit (white color). The 2" lift is ideal for 33" to 35" diameter tires; the 4" is best suited for 35" to 37" tires. Note that Rubicons (with 2" or 4" Lifts) require the Front Stabilizer Bar Link Kit (P5155512). **Long Arm Lift Kits: 4.5"** The ultimate off-road performer. Mopar's Long Arm kit provides optimal suspension travel by using longer, high-articulation axle-to-frame link arms. Dampening is handled by Bilstein high-pressure monotube gas shocks. This kit contains a vast array of components, including replacement front / rear driveshafts. Best suited for 37" diameter tires. **Shock Options:** Performance shock is a twin-tube, high capacity hydraulic shock that features tenstage velocity sensitive valving. White enamel finish; includes black boot. Mopar's premium shock, jointly tuned with Bilstein, allows you to realize the most performance gain. The seamless monotube body contains a patented piston design and a high-pressure gas charge to quickly dissipate heat and minimize shock fade. Silver Zinc plated finish; includes black boot. **WARNING:** Lift Kits alter vehicle properties and affect handling. Lift kits are intended to be used for off-road driving only. Your kit will come with more detailed instructions and warnings. Contact the Mopar Direct Connection Tech Line (888-528-4364) to obtain a copy. **NOTE:** Vehicle RPM and speedometer readings are based on the stock vehicle's tire and wheel combinations. Installing larger wheels and tires with your Mopar Performance lift kit could result in incorrect RPM, speedometer and odometer readings. **WARRANTY:** Lift Kits work with all vehicle systems including the Electronic Stability Program, and are covered (except P5155075) by a Limited Lifetime Warranty. The warrantor is the Lift Kit manufacturer, not Mopar, Fiat FCA US Automobiles, or the dealership selling the product. Contact the Mopar Direct Connection Tech Line (888-528-4364) for warranty details and installation instructions.

CARRIERS & CARGO HAULING ACCESSORIES

Hitches & Towing - Integrated Trailer Brake Module

Integrated Trailer Brake Control Module allows driver to automatically or manually activate the electronic brakes on properly equipped trailers for greater stopping power on downhill grades. The controller and status display are mounted in the dashboard to the left of the steering wheel, and the included control lever can activate the trailer brakes independent of the truck's brakes. Drivers can customize the amount of brake force the trailer uses, depending on load requirements.

Before ordering the Mopar Integrated Trailer Brake Module (ITBM) kit, it is necessary to check if the vehicle has both trailer brake module connectors. These connectors are located under left side of the steering column. Both connectors are 4 pin connectors. If both connectors are not present the ITBM kit cannot be added to the vehicle.

MOPAR® PARTS & ACCESSORIES LIMITED WARRANTIES

MOPAR® BASIC LIMITED WARRANTY

Except as noted below, over-the-counter or wholesale Mopar® parts are warranted against defects in workmanship or materials for 12-months/unlimited miles for parts exchange only. Mopar parts installed by an authorized Chrysler Group LLC dealership or FIAT® studio are warranted for 12-months/12,000-miles for both parts and labor, or for 12-months/unlimited miles for parts exchange only, whichever is more favorable to the customer.

Mopar parts replaced on a Chrysler Group LLC vehicle still covered by the Chrysler New Vehicle Basic Limited Warranty are warranted for the remainder of the New Vehicle Basic 3-Year/36,000-Mile Limited Warranty, or for the Mopar Basic 12-Month Limited Warranty from the original installation date, whichever is more favorable to the customer.

The Mopar Basic Limited Warranty covers the cost of towing a vehicle to the nearest authorized Chrysler Group LLC dealership if the failure of a covered part causes the vehicle to be inoperative.

If a Mopar part is installed in a Chrysler Group vehicle by an authorized Chrysler Group dealer, and if, while that part is still under warranty, it causes other parts to be damaged or to fail, those other parts will be repaired or replaced under warranty, regardless of whether the other parts were covered by a Chrysler warranty at the time of failure.

These warranties are the only express warranties made by Chrysler for Mopar Parts and Accessories. Except where prohibited by law, this warranty is the sole and exclusive remedy. No person, including a dealer or employee of Chrysler Group LLC, or its affiliated corporations has the authority to vary or change these warranties.

Mopar parts sold with a separate manufacturer's warranty are not eligible for the Mopar warranty. Warranty information on these parts is provided with the part or in its packaging. Examples include: Garmin Navigation, TomTom Navigation, Katzkin® Leather, Koss Headphones, Truck Bed Liners and Master Shield® Rust, Paint Sealant and Fabric Protection.

EXCEPTIONS

The following Mopar products have time and mileage limitations, or warranty coverage that differs from the general coverage described above:

- Mopar Performance Parts
- Mopar Master Shield® Products
- Mopar Skid Resistor™ Bed Liners

MOPAR PERFORMANCE PARTS LIMITED WARRANTY

NOTICE

Federal and many state laws prohibit the removal, modification or rendering inoperative of any part or element of design affecting emissions or safety on motor vehicles used for transporting persons or property on a public street or highway. Violation may result in a fine of up to \$27,500 per vehicle. Mechanical and/or electronic performance parts listed in this catalog cannot be used on vehicles used on public streets or highways. These parts may be used only on vehicles used solely in sanctioned off-highway events. No other applications are intended or implied. Those parts that have been granted an exemption by the California Air Resources Board (CARB) or meet the EP requirements of memorandum 1A are legal for highway use in California, New York and Massachusetts and are noted as such.

NO PARTS WARRANTY – “AS IS”

Mopar Performance parts are sold “as is” unless otherwise noted. This means that parts sold by Mopar Performance carry no warranty whatsoever. Implied warranties, such as warranties of merchantability, are excluded. (An implied warranty of merchantability means that the part is reasonably fit for the general purpose for which it was sold.) The entire risk as to quality and performance of such parts is with the buyer. Should such parts prove defective following their purchase, the buyer and not the manufacturer, distributor or retailer, assumes the entire cost of all necessary servicing or repair. Chrysler, Jeep®, Dodge and Ram vehicle and parts warranties are voided if the vehicle or parts are used for competition. The addition of performance parts does not by itself void a vehicle's warranty. However, added performance parts (parts not originally supplied on the vehicle from the factory) are not covered by the vehicle's warranty, and any failure that they may cause is not covered by the vehicle's warranty.

EMISSIONS STATEMENT

Federal law requires emissions parts on new vehicles to be warranted for at least two years or 24,000 miles, whichever comes first. Federal and many state laws also prohibit the removal, modification or rendering inoperative any part that affects emissions or safety on motor vehicles used on public streets or highways.

Many Mopar Performance parts are designated for track use or off-road use only. Installation of certain components may bring the vehicle out of compliance

MOPAR PARTS & ACCESSORIES LIMITED WARRANTIES

with safety and/or emissions standards. Mopar recommends that vehicles with parts designated in this fashion not be operated on public roads. Mopar Performance customers are responsible for complying with applicable state and local environmental regulations.

Additionally, certain performance parts may affect the emissions characteristics of the vehicle. If you install them on the vehicle, and your vehicle consequently fails a required state or local I/M (inspection and maintenance) emissions test, including any test required to maintain or renew your vehicle's registration, or if your vehicle is subject to an emissions recall, Chrysler Group LLC may not be required to repair your vehicle under the emissions performance warranty, and you may be required to remove those parts at your own expense in order to obtain repairs necessary to pass the I/M test or to perform the recall.

NOTE – CALIFORNIA ONLY

The emissions laws and regulations of the state of California apply to all non-racing vehicles operated in California. Consequently, those parts marked in this catalog with an asterisk and appropriately marked on their packaging may legally be used in California only on a racing vehicle that will never be operated on public roads.

ADDITIONAL PERFORMANCE INFORMATION

Mopar Performance Crate Engine Assemblies – Crate engine assemblies are warranted for "parts only" "as delivered" against defects in materials or workmanship for 90 days from the date of purchase. The following covered components for Performance Engine Assemblies, which prove to be defective in materials or workmanship, will be replaced on an exchange basis for 90 days: cylinder blocks and all internal parts; cylinder head assemblies; intake manifold; core plugs; valve covers; oil pan; timing gear and/or chain and cover; water pump; gasket and seals.

Mopar Performance Parts with part numbers beginning with "P" are sold "as-is" without warranty coverage of any kind by Mopar unless otherwise noted.

See Mopar Performance Catalog for more details.

MOPAR MASTER SHIELD® PRODUCTS LIMITED WARRANTY

MASTER SHIELD® RUST PROTECTION LIMITED WARRANTY (NEW VEHICLES ONLY)

The Master Shield Rust Protection treatment is warranted for the registered lifetime of the new vehicle provided that the:

- Vehicle does not exceed 11,000-lb. gross vehicle weight
- Master Shield treatment was properly applied within three months of the new vehicle's original in-service date

Chrysler Group LLC warrants that if any part of a new vehicle properly treated with Master Shield Rust Protection rusts through (is perforated from inside out), Chrysler Group LLC will repair and/or replace the damaged part(s) at no charge, up to a cumulative limit of \$2,000 in combined parts and labor costs per vehicle.

NOTE: This warranty does NOT apply to surface or cosmetic rust; rust caused by external damage from dents, scratches, chipped paint or surface rust resulting from other internal cavity perforation; wear and tear from normal driving; vehicles not continuously registered for road use; vehicle manufacturer's defects; the vehicle's exhaust system; vehicle's floor pans load area of commercial vehicles; pickup truck bed areas; defects covered by a dealer's or manufacturer's New Vehicle Limited Warranties; or vehicles not inspected as required by Master Shield Rust Protection Procedures and Warranty book. Only the selling dealer may validate a Master Shield warranty.

MASTER SHIELD PAINT SEALANT LIMITED WARRANTY (NEW VEHICLES ONLY)

The Master Shield Paint Sealant treatment is warranted to the first registered owner only, for a period of three years from the date of its application to the vehicle, provided that:

- The Master Shield sealant was properly applied within 60 days of the vehicle's original in-service date
- Damage to the exterior finish is reported immediately to a participating Master Shield dealer, who follows the proper claims-processing procedure

MOPAR PARTS & ACCESSORIES LIMITED WARRANTIES

Chrysler Group LLC warrants to the first registered owner of a treated vehicle that if, within three years of the sealant's application on any properly-treated exterior finish, the vehicle is damaged by weather-induced discoloration, loss of gloss or fading, Chrysler Group LLC will repair and retreat the damaged area(s) free of charge, provided that the vehicle is first inspected by a participating Master Shield dealer and is previously authorized by Chrysler Group LLC. This warranty is not transferable.

NOTE: This warranty does NOT apply to damage caused by owner negligence, carelessness or failure to use prescribed maintenance steps; damage caused by collision, fire, stone, or similar objects causing a break or puncture of the sealant; damage from acid rain, smog, industrial fallout, or paints coming in contact with vehicle's surface paint; or damage caused by any modification or alteration to the vehicle's surface.

MASTER SHIELD® FABRIC PROTECTOR LIMITED WARRANTY (NEW VEHICLES ONLY)

The Master Shield® Fabric Protector treatment is warranted to the first registered owner only, for a period of three years from the date of its application to the vehicle, provided that:

- The Master Shield treatment was properly applied within 30 days of the new vehicle's original in-service date
- The vehicle was at no time in commercial use
- Any damage to the interior cloth or velour surfaces is inspected by a participating Master Shield dealer and a representative of the Warranty Record Center

Chrysler Group LLC warrants that if any interior cloth or velour surface treated with Master Shield Fabric Protector becomes permanently stained from water, coffee, soda, milk or similar liquids, Chrysler Group LLC will clean and re-treat the damaged surfaces free of charge, provided that the vehicle is first inspected by a participating Master Shield dealer and is previously authorized by Chrysler Group LLC. This warranty is not transferable.

NOTE: This warranty does NOT apply to vehicles used for commercial purposes (except Gold Key Lease Vehicles); carpets or floor mats; damage caused by defects in the material or workmanship of the cloths used; damage caused by owner negligence,

carelessness or improper maintenance; or damage caused by acid, dye, ink, bleach, gums, paints, lubricants, or caustic or corrosive materials.

MASTER SHIELD LIMITED WARRANTY (WISCONSIN)

These conditions are applicable to the Master Shield Limited Warranty issued in Wisconsin and supersede anything inconsistent in the standard warranty language found on the following pages. All other standard warranty terms and conditions herein contained apply. All other standard warranty terms and conditions herein contained apply.

The Master Shield Limited Warranty is a two-year warranty renewable for the life of the vehicle if the required free inspections are made. Registration of the warranty is not a condition precedent to your limited warranty coverage nor are manufacturer defects excluded, except for such defects that would be covered under the Chrysler Group LLC new vehicle warranty.

Chrysler Insurance Company, 27777 Franklin Road, Southfield, MI 48034, provides Master Shield with product guarantee legal liability insurance. The warrantor is Chrysler Group LLC, 26311 Lawrence Avenue, Center Line, MI 48015.

For warranty information, claims and adjustments, contact the selling dealer or any participating Master Shield dealer

MOPAR SKID RESISTOR™ BED LINERS LIMITED WARRANTY

Mopar replacement Mufflers, Shocks, Struts, and Pickup Truck Bed Liners sold by an authorized Chrysler, Jeep®, Dodge or Ram dealer are warranted against defects in workmanship or materials for the lifetime of the vehicle on which they are installed. This warranty is given only to the original retail purchaser, and is not transferable.

HOW TO OBTAIN WARRANTY SERVICE

Where both parts and labor are covered warranty items, repairs will be made by any Chrysler Group dealership at no charge. Where parts only are covered, Chrysler Group dealership will provide replacement parts at no charge. It is recommended that you take your vehicle to your selling dealership or to the dealer who sold or installed your Mopar part or accessory. However, you may obtain replacement parts or service under warranty from any authorized Chrysler Group dealer.

MOPAR PARTS & ACCESSORIES LIMITED WARRANTIES

WHAT IS NOT COVERED

Mopar warranties cover neither non-Chrysler Group nor non-Mopar parts, components or equipment. These warranties also do not cover the costs of any repairs or adjustments that might be caused by or needed because of the use or installation of a non-Chrysler Group or non-Mopar parts, equipment, materials or additives.

Mopar warranties do not cover the costs of repairing damage or conditions caused by fire or accident; by abuse, negligence, or misuse (for example: driving over curbs, or overloading or racing the vehicle); by improper adjustment, alteration or failure to maintain the vehicle on which they are installed; or corrosion or damage caused by the use of caustic materials.

Mopar® warranties do not cover parts installed on a vehicle used for racing or competition, nor do they cover the repair of any damage or conditions caused by racing or competition.

Mopar warranties do not cover the costs of repairing or replacing any part due to damage caused by poor or improper maintenance, contaminated fuels, or the use of fuels, oils, lubricants or fluids of a type other than those recommended in your Owner's Manual.

Mopar warranties do not cover the costs of damage caused by environmental factors or Acts of God. "Environmental factors" include such items as airborne fallout, chemicals, tree sap, salt, ocean spray and road hazards. "Acts of God" include such things as hail, floods, windstorms, lightning, tornadoes, sandstorms and earthquakes.

Mopar warranties do not apply to parts installed on a vehicle that has had its odometer or emissions systems tampered with or disconnected; declared to be a total loss by any insurance company; rebuilt after being declared to be a total loss; issued a certificate of title indicating that it is designated as "salvage," "junk," "rebuilt" or words of similar import. Chrysler Group LLC will deny warranty coverage without notice if it finds that a vehicle is ineligible for warranty coverage because it has been salvaged or declared a total loss as set forth in this paragraph.

Mopar Limited Warranties do not cover any incidental or consequential damages connected with the failure of the part under warranty. Such damages include lost time; inconvenience; the loss of the use of your vehicle; the cost of rental cars, gasoline, telephone, travel or lodging; the loss of personal or commercial property; or the loss of revenue. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

Your warranties can also be restricted by Chrysler Group LLC, as set forth in the New Vehicle Limited Warranty. If your new vehicle limited warranty is restricted by Chrysler Group LLC, coverage under your Mopar Parts and Accessories Limited Warranties may also be restricted or denied.

OTHER TERMS

To the extent allowed by law, any implied warranties, including any implied warranty of merchantability or fitness for a particular purpose, are limited in duration to the duration of these express warranties. To the extent allowed by law, if the parts are installed on a vehicle used primarily for business or commercial purposes, no implied warranties apply. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.

These warranties are the only express warranties made by Chrysler Group LLC for Mopar Parts and Accessories. Except where prohibited by law, this warranty is the sole and exclusive remedy.

No person, including a dealer or employee of Chrysler Group LLC has the authority to vary or change these warranties.

Michigan law governs this warranty to the extent allowed by law. Interpretation of the terms of this warranty must be done using Michigan law.

These limited warranties give you specific legal rights and you may have other rights which vary from state to state.
